Panama: Tropical Ecology, Marine Ecosystems, and Biodiversity Conservation

Tanzania: Coastal Ecology and Natural Resource Management or
Wildlife Conservation & Political Ecology

University of Hawai'i-Manoa
Honolulu, Hawaii
Focus your study on environmental planning, land use, coastal resources, etc. through the Department of Urban and Regional Planning.

ISDSI
International Sustainable Development Studies Institute
This program is not currently approved by DePauw.

Centre ValBio in Madagascar
Stony Brook University
Research opportunities and courses are available with Dr. Wright – winner of the Indy Prize and DPU guest speaker. You may contact Megan McCann who participated in the semester-long study abroad program for more information. This program is not currently approved by DePauw.

The Alliance for Global Education
India
Research or internships in social science or clinical research with faculty or NGO's are available along with classroom course work. This program is not currently approved by DePauw.

Woods Hole Oceanographic Institution
Woods Hole, MA
A semester-long program for advanced undergraduates majoring in science, engineering or mathematics that features a significant, for-credit research experience. The program is particularly well-suited for students who are planning to obtain an advanced degree in ocean sciences, ocean engineering, or related fields in the geosciences. This program is not currently approved by DePauw.

POST GRAD OPPORTUNITIES

AmeriCorps
AmeriCorps engages more than 75,000 Americans in intensive service each year at nonprofits, schools, public agencies, and community groups across the country.

Change Corps
Change Corps is a paid, one-year full-immersion training program in grassroots organizing.

Civic Spark
A Governor's Initiative AmeriCorps program dedicated to building capacity for local governments to address climate change is now recruiting members. Member applications are accepted on a rolling basis.

FoodCorps
FoodCorps is a nationwide team of AmeriCorps leaders who connect kids to real food and help them grow up healthy.

Food Recovery Network

Green Corps
Green Corps runs a full year paid training program for college graduates that combines intensive class-room training with leaders in the environmental movement and field placement working on urgent environmental issues with organizations like the Sierra Club and Food & Water Watch.
- Laura Stevens '07 participated in Green Corps ('09-10) and now works for the Sierra Club in Oregon. We can help connect you with her if you're interested in talking with someone that has experience with the organization.

Peace Corp PhD and MS
Antioch University New England
The PhD-Peace Corps program is the first in the nation and allows students to earn tuition free credit during Peace Corps service.

Climate Corps Bay Area
A Fellowship Program by Strategic Energy Innovations
A Climate Corps Bay Area Fellowship involves 10-months of experiential learning through implementation of climate change resiliency projects hosted by their network of Program Partners.

Post-Landfill Action Network (PLAN)
PLAN is a nonprofit, cooperative network of student leaders who are creating zero-waste solutions in their campus communities.

Higher Education Research Experiences (HERE) Program
Oak Ridge National Laboratory (ORNL)
Opportunities for qualified students and recent graduates to participate in research and technical internships. Stipends based on academic status. Application is always open and selection may be made year-round; apply here today for best chance of summer 2016 selection.

Certificate in Sport Sustainability Leadership
through the Master in Sport Administration and Leadership (MSAL) grad program
Seattle University
The 15-credit curriculum focuses on the environmental aspects of sustainability that impact all aspects of a sport organization, including facility operations, finance marketing, sponsorship, team operations, supply chain, and legal. Further details about curriculum can be found here.

Turtle Trax S.A.
Internships with the opportunity to get involved with sea turtle conservation, hands-on volunteer work, community projects, and locally based tourism -available to undergraduates and recent graduates. Apply here.

EnFocus
EnFocus is an ESTEEM (Notre Dame Master's Program) spinoff that recruits recent college graduates to accept one-year paid Fellowship positions that work with South Bend community development initiative or work on kick-starting their own entrepreneurial endeavors.

GRAD PROGRAMS

MS in Sustainability
St. Louis University
Recent DPU grad Nick McCreary is a current graduate assistant in the Saint Louis University Sustainability Office and completing the MS in Sustainability program. If you would like to connect with Nick please email envfellows@depauw.edu for more information.

Ph.D. Assistantship in Environmental Education Research
North Carolina Sate University
Park, Recreation & Tourism Management
Deadline: November 30
A 3-4 year doctoral research assistantship focused on the role of outdoor education in building connection to nature and interest and achievement in science, the development of conservation-minded adults, and the intersection of these areas with human health and well-being.

MS Environmental Science and Policy Positions (2)
"Understanding the socioecological effects of non-agricultural tree planting by landowners in rural Costa Rica"
Northern Arizona University – Deadline: January 15, 2017 for Fall 2017 admission
Two positions (one with a social science emphasis and one with an ecological science emphasis) are available in the School of Earth Sciences and Environmental Sustainability.

Human Dimensions of Natural Resources – M.S. or PhD. Level
Colorado State University

Master's Degree in Greenhouse Gas Management and Accounting (MGMA)
Colorado State University

SPEA – The School of Public and Environmental Affairs MPA MSES MPA-MSES
Indiana University –Apply by the early deadline and SPEA will cover the application fee for DePauw students.
DPU students who receive a "B" or better in a senior seminar in Economics, Political Science, Biology, Chemistry, Management Fellows, or Environmental Fellows will receive a 3-credit hour reduction toward the corresponding SPEA master's degree program, effectively reducing a 48-credit hour degree to a 45-credit hour degree.
PhD Fellowship at SPEA
Openings for a PhD fellowship for a post-Bachelors or post-Masters student on research on human behavior and natural resource use with Dr. Shahzeen Attari. Please submit an electronic application here.

Center for Environmental Policy
Bard University
Offers masters degrees through their Graduate Programs in Sustainability.
The Bard Center for Environmental Policy (CEP) located at Bard College in New York, Hudson's Valley offers MS degrees in Environmental Policy and Climate Science and Policy .
M. Ed in Environmental Education – NEW!
The Bard MBA in Sustainability located in downtown NYC is one of a select few graduate programs globally that fully integrate sustainability into a core business curriculum.

Bard offers a scholarship opportunity for graduate study in their MS Environmental Policy and MS Climate Science and Policy programs. Students must be nationals of China, Japan, or Korea. An additional, full-ride scholarship is available for Tibetan speaking students.

MES Master of Environmental Studies
Evergreen State College, Olympia, WA

Non-Stipendiary Fellowships
Program on Science, Technology and Society (STS)
Harvard Kennedy School
Deadline: January 30, 2017
Apply here.

College of Agriculture, Food and Environment
University of Kentucky

College of Earth, Ocean, and Environment
University of Delaware

School of Environment and Natural Resources
Ohio State University
Voinovich School of Leadership and Public Affairs
MS in Environmental Studies

MA or PhD in Ecology, Spirituality, and Religion
California Institute of Integral Studies

MA in Food Studies
Chatham University, Pittsburgh, PA

Environmental Management and Sustainability
St. Edward's University, Austin, TX
Priority Deadline, February 15, 2017

Ecology, Evolution, Ecosystems Society
Dartmouth College, New Hampshire
EEES feature two overlapping tracks of scholarship and training. Both tracks contain a core of ecology and ecosystem science, with one track in Ecology and Evolutionary Biology (EEB) and the other in Sustainability, Ecosystems and Environment (SEE) with an added dimension of environmental social science.

The Sustainability and Education Policy Network (SEPN)
University of Saskatchewan, Canada

School of Environment and Sustainability (SENS)
University of Saskatchewan, Canada
Master of Water Security (New program beginning 2016)
Master of Sustainable Environmental Management
Master of Environment and Sustainability and PhD in Environment & Sustainability

Engineering, Science Technology, Entrepreneurship Excellence Master's (ESTEEM) Program
Notre Dame, Indiana
EnFocus
EnFocus is an ESTEEM (Notre Dame Master's Program) spinoff that recruits recent college graduates to accept one-year paid Fellowship positions that work with South Bend community development initiative or work on kick-starting their own entrepreneurial endeavors.

College of Agricultural, Consumer and Environmental Sciences
University of Illinois at Urbana Champaign
EFP alum Laura Crawford is currently in this grad program. If you would like to connect with Laura please email envfellows@depauw.edu for more information.

Department of Urban + Regional Planning
University of Illinois at Urbana Champaign
EFP alum Oksana Polhuy is currently in this grad program. If you would like to connect with Oksana please email envfellows@depauw.edu for more information.

PhD in Public Policy and Management
Carnegie Mellon University – Heinz College
EFP alum Sally Qiu is currently in this grad program. If you would like to connect with Sally please email envfellows@depauw.edu for more information.

Global Environmental Politics
American University's School of International Service
SIS offers both a professional Master's degree in Global Environmental Policy (GEP) and a unique dual-degree program in Natural Resources and Sustainable Development (NRSD).

M.A. in Disaster Studies, Master of Public Affairs (MPA), and M.S. in Ocean, Coastal, and Earth Sciences
The University of Texas Rio Grande Valley

Peace Corp PhD and MS
Antioch University New England
The PhD-Peace Corps program is the first in the nation and allows students to earn tuition free credit during Peace Corps service.

Environmental Studies MBA or PhD
Antioch University New England

Master of Environmental Science & Management, PhD in Environmental Science & Management, and PhD in Politics of the Environment
Bren School of Environmental Science & Management
University of California, Santa Barbara

Masters of the Environment
University of Colorado Boulder
MENV students have the choice to specialize in Policy and Management, Planning and Community Engagement, or Renewable and Sustainable Energy.

Professional Science Master's in Environmental Management and Sustainability
St. Edward's University, Austin, TX

Water Sustainability Graduate Program NEW!
University of Iowa – UI Department of Civil and Environmental Engineering and IIHR-Hydroscience & Engineering

School of Freshwater Sciences
UW-Milwaukee
Offers 3 graduate degree programs: Professional Science Masters degree, thesis track Masters degree, and Doctoral degree

MA Ed in Urban Environmental Education
Islandwood in partnership with Antioch University – Bainbridge Island, WA
Prepares educational leaders to understand how and why cities work the way they do and to build community capacity to create thriving, sustainable urban environments.

MS or MA in Sustainable Communities
Binghamton University, New York

Master's in Education for Environment & Community
Bainbridge Island, WA – Apply by March 13 for a $100.00 discount.
Experiential learning at the graduate level: Pursue your master's degree while living on an island in Puget Sound and teaching diverse groups of students about natural systems and communities.

MS in Environmental Science & Policy
Plymouth State University - Plymouth, NH

Seeking M.S. graduate assistant for an EPA project focused on understanding non-use values of water quality improvements in small streams.

MSc and DPhil in Sustainable Urban Development
University of Oxford

PhD Research Degree Opportunities with the Lancaster Environment Centre
Lancaster University
A few current examples:
- The impact of urban noise on bird song and communication
- What are the conservation and livelihood impacts of wildlife farming?

PhD in Ecosystem Service Management or Conservation Planning
University of Waterloo, Canada

Master of Public Administration in Environmental Science and Policy
The Earth Institute -Columbia University
This program has a one-year structure. Students who apply by January 15, 2017 are eligible for the Dean's Fellowship – a full tuition grant and internship – and for numerous other partial fellowships.

MA in Environmental Studies
University of Illinois at Springfield

MA in Environmental Policy
Pace University

Erasmus Mundus Masters Course in Environmental Sciences, Policy and Management
The MESPOM Consortium – Central European University (Hungary), Lund University (Sweden), the University of Manchester (UK), the University of the Aegean (Greece), the Monterey Institute for International Studies (USA), and the University of Saskatchewan (Canada)

PhD in Technology, Policy & Innovation
Department of Technology & Society -Stony Brook University

MS in Sustainability & PhD in Sustainability Science
United Nations University Institute for the Advanced Study of Sustainability

MA in Sustainable Living
Maharishi University of Management

SCHOLARSHIPS & FUNDING

Austen Weeks Undergraduate Grant for Geoscience

Fulbright Scholarship
The Fulbright US Student Program supports students wanting to teach English, conduct research or pursue graduate study abroad. It is a competitive award and is open to seniors and alumni. Questions about the Fulbright can be directed to jfuller@depauw.edu.

DePauw Asher Fund in the Social Sciences
Deadlines: November 14, 2016 and April 17, 2017

Summer Internship Grant Program – Hubbard Center
The application process opens in the spring semester.

Udall Scholarship
Deadline: March 15, 2017
The Udall Foundation awards scholarships to college sophomores and juniors for leadership, public service, and commitment to issues related to American Indian nations or to the environment.

Institute for International Education: Gilman Scholarship and IIE Passport

The Indiana Association of Environmental Professionals
INAEP offers scholarships to students who are pursuing a degree in environmental science or a related degree (such as biology). Offered to sophomore undergraduates or above or those pursuing their masters degree. If you would like to be on the INAEP scholarship e-mail distribution list or have any questions, please send an email to inaepinaep@gmail.com.

National Science Foundation Robert Noyce Scholarship Program
Indiana University
The program is open to students who have an undergraduate degree in a science area such as Biology, Chemistry, Environmental Science, Geology, Physics and Engineering. Recipients are provided a $7500.00 stipend per semester and students can finish their program to be recommended for middle/secondary school licensure in as short as three semesters (one calendar year)

Shell Incentive Fund Scholarship
Shell Oil Company is offering its annual scholarship for students who are pursuing undergraduate degrees in a specific technical field of study at certain colleges.

CALL FOR PAPERS/PROPOSALS/ART

Whole Terrain
Antioch University New England's nationally acclaimed journal of reflective environmental practice

First National Undergraduate Research Conference on Science, Technology, Medicine and Society
DePauw University
March 10-12, 2017
This interdisciplinary conference aims to bring together undergraduate students from across North America who are investigating:
1) how science, technology and medicine (STM) affect societies;
2) how societal values and concerns inform and constitute STM; and/or
3) the historical and/or conceptual foundations of STM.
Interested students should submit their abstracts (250 words) and a brief bio by December 15, 2016. Abstracts and bios should be sent as pdf files to: studentresearch@depauw.edu.

Smart and Sustainable Campuses Conference
University of Maryland College Park
March 26, 2017
Proposal Deadline: January 30, 2017
Registration Deadline: March 18, 2017
Student summit themes are Restore, Renew, Regenerate; Food, Consumption, and the Built Environment; Outreach; and Climate Justice.

Democracy, Borders and Public/Political Engagement: Challenges for Environmental Communication
2017 Conference on Communication and Environment (COCE)
University of Leicester, Leicester, UK
June 29-July2, 2017
Deadline for Submissions: December 15, 2016
Submissions welcome from scholars, practitioners, artists and students.

EVENTS

Rachel Carson 75th Jubilee and Colloquium
