1. Type of Faculty Fellowship Requested:

- | | |
|--|--|
| <input type="checkbox"/> Teaching/Curricular Development Project | <input type="checkbox"/> Service Project |
| <input type="checkbox"/> Scholarly/Creative Project | <input type="checkbox"/> Combination Project |

2. Application Checklist (attach the necessary materials to this application form)

- Title of project: _____
- Abstract of project: This should be approximately 300 words (it will be used to announce the award should the project be funded).
- Describe the project, including: 1) Introduction/background; 2) Problem statement/goal/purpose; 3) Significance of the project for your discipline and your professional development; and 4) Your qualifications for this project. You should also consider the relevant criteria specified in the Faculty Development Handbook on projects for Faculty Fellowships. **This description should be a maximum of 6 double-spaced pages in 12-point type with one-inch margins.** You may attach appropriate supporting documents as appendices if needed.
- Is this project ethics-related? Yes _____ No _____ If you've answered yes, please attach a paragraph-long explanation which includes an indication of how your project addresses normative or descriptive issues in ethics.
- Provide a timeline for the project for the three-year fellowship period. Be sure to specify a tangible product which can be submitted along with your narrative report at the end of each year. (Examples might include a draft of an article, slides showing artistic work in progress, syllabi and course materials, etc.)
- Describe the expected final product of the fellowship project.
- If the project is for Teaching/Curricular Development, the application should include letters of support from colleagues, departments or schools as appropriate.
- List all FDC awards (including Faculty Career Enhancement Grants from the Mellon Fund) you currently hold for which you have not submitted a report and give the current status of the project. If you are requesting funding for multiple projects, you should include a statement explaining the relationship between the projects.
- Describe other anticipated funding sources for this project or other projects during the grant period.
- Are you using human or animal subjects in the research? Yes _____ No _____ If so, have you received IACUC or IRB approval? Yes _____ No _____

CONSULT THE FACULTY DEVELOPMENT HANDBOOK FOR SPECIFIC INFORMATION ABOUT FACULTY FELLOWSHIPS AND OTHER FUNDING AVAILABLE THROUGH FACULTY DEVELOPMENT.
