**Statement of Intent**

In a separate document, prepare a 2-3 page, detailed and thorough response to the following:

- A. Please provide a description of the internship you will be undertaking, including the contact information for your host supervisor, your perceived responsibilities and assignments, and your primary objectives for this experience.
- B. An internship immerses students in a professional environment with the purpose of achieving a better understanding of that profession, and gaining applicable skills. What has led you to pursue this specific opportunity? How do you foresee yourself engaging in a professional environment as an intern? What is it about this profession that most excites you?
- C. Students prepare for internships through course work, research, reading, and by having conversations with fellow students, faculty advisors, career advisors, and professionals. What have you done to prepare for your internship thus far? What will you accomplish before beginning your internship to better prepare yourself?

Internships are professional engagements: full participation and successful completion is expected once enrolled.
