Dear Aaron,

We hope your year is off to a good start. Now that you are a junior, it’s time for you to jumpstart your time at DePauw to ensure that you are prepared to pursue your path after graduation. A few things we want you to know:

- Starting Monday, Sept. 7, you can visit us during walk-in advising hours from 11 a.m. - 1 p.m. Monday through Friday, where a Hubbard Center adviser can help answer your basic questions about Hubbard Center programs and opportunities;

- You can also learn more at several upcoming informational fairs: the Graduate & Professional School Fair will be Thursday, Sept. 17 from 11 a.m. - 1:30 p.m.; the Off-Campus Study Global Fair will be Monday, Sept. 28 from 4-6 p.m.; and the Career & Internship Fair will be Thursday, Oct. 1 from 11 a.m. - 2 p.m. All fairs will be held in the Union Building Ballroom and Lobby. The fairs will give you the chance to learn more about opportunities that interest you. We will have representatives from program providers to meet you and answer your questions.

- Finally, you can learn more about the resources we have for you, and check out guides we have to help you plan.

On Sunday you will start receiving HCSE Connections, which includes important announcements and opportunities, and on Monday you will receive Hubbard Happenings, which includes a rundown of programs for the upcoming week.

The semester will go quickly, so you are encouraged to start planning soon to ensure you make the most of your time at DePauw! You can call 765.658.4622 to schedule an appointment with a Hubbard Center adviser to learn more about how we can help you prepare for life after DePauw. We look forward to working with you!
