Student Name: \_\_\_\_\_

Name of Project: \_\_\_\_\_

My signature below indicates that

1. I agree to participate in all orientation meetings and pre-departure activities for my project. I understand that failure to attend both jeopardizes my participation in the project and may result in an unsatisfactory grade for the course.
2. I have read my student handbook and am aware that the academic and behavioral policies outlined in the handbook are in effect while I am studying off-campus. I am also aware that if I violate any rules while studying off-campus, I could face judicial action when I return.
3. I understand that I will be a guest in another country and their laws apply to me.
4. I recognize the need to adhere to the following rules as well as any others designated by my faculty leader(s). I realize that I could be sent home for violating them, and know that a decision to terminate my participation in the program is final and *at my own expense*.
  - a. I will not engage in abusive use of alcohol. Note: The faculty leaders will determine what constitutes “abusive use of alcohol” and behaving “in a disruptive manner.” For example, if your use of alcohol leaves you feeling so lousy that you cannot participate effectively in a group discussion that is not acceptable.
  - b. I will not buy, sell, or use drugs at any time.
  - c. I will not behave in a disruptive manner.
  - d. I will participate in all scheduled activities unless I am ill.
  - e. I will adhere to the check-in/curfew policy implemented by my faculty leader.
  - f. I will abide by the dress and cultural codes of the country I visit.
5. I understand that I will be held responsible for any property that I damage while off-campus.
