The following courses are recommended for first-year students. In your e-Services portal (mydepauw.edu), you will list 10-15 courses for fall term in order of preference. Include a variety of courses from each distribution area. Course descriptions are available at: http://www.depauw.edu/studentlife/firstyear/academic-life/courses-for-first-year-students

- Students with specific courses required in the first semester (Management Fellows, Media Fellows, Science Research Fellows, School of Music) will be pre-enrolled in those courses.
- Because you will not be enrolled in more than one course from a department, you can list courses from the same department (e.g., list CHEM120 and CHEM130).

### Arts and Humanities

**AFST290B African-American Literature**

**ARTH131 Intro to Art History—Ancient to Medieval**

**ARTH132 Intro to Art History—Renaissance to Modern**
