

**MAO Meeting Minutes,
August 26, 2002**

Barbara gave a briefing on the joint CAPP/MAO meetings this summer. Faculty comments from Funny Friday will be put on Blackboard with the committee picking out the top 79 themes for the focus of future meetings.

We decided to make only minor changes to the time bank system for next year. Specifically, we agreed to eliminate MWRF 1:45-2:35 and 2:45-3:35 time banks. We also agreed to change the TR time slot of 1:00 to 2:30 to 2:00 to 3:30.

We also volunteered for different MAO/CAPP subcommittees. Here's the breakdown:

Interdisciplinary Majors: Erik Wielenberg and Ellie Ypma

Hidden Majors: Judy George and Ellie Ypma

Class Size Limits: Jeff Hollander, Julianne Miranda, and Scott Ross

Next Meeting will be on the 2nd of September to finalize the Open Meeting on GE requirements, which we tentatively set for September 18th at 4:00 in 301 HH.

**MAO meeting minutes,
Monday, September 2**

Members Present: Jeff Hollander, Julianne Miranda, Barbara Whitehead, Erik Wielenberg, Ellie Ypma

We decided to wait to approve the minutes for the previous meeting.

We are still waiting for feedback about student representatives for MAO.

We decided to continue with the changes to the timebanks that were made last spring for this spring's semester without having an open meeting on the issue on the grounds that the timebanks are needed for the chairs meeting on Thursday, September 5, and there obviously isn't time for an open meeting before then. We hope that the timebank issue can be brought before the entire faculty and given full consideration in due course.

We decided to have our first open meeting on October 14. This meeting will be devoted to the timebank issue.
