

Plan Evaluator Tool

UBA Plan Evaluator Tool Access Information

PLAN EVALUATOR TOOL:

This tool will help you estimate out of pocket costs based on your total individual family health care costs (premiums, estimated doctor visits, prescriptions, etc). It is designed to help you see which plan design has the potential to provide the best care for the lowest cost. It is organized by salary range. Select the URL address that matches your salary range.

NOTE: This tool is not a guarantee of actual costs.

Coverage Tier: Employee, Employee+Spouse(SSDP), Employee+Child(ren), Employee+Spouse(SSDP)+Child(ren)
