## **Brian Wilson**

### **"The Things About Journalism They Don't Teach You In College"**

Brian Wilson's was the first to cover Justice Sandra Day O'Connor's resignation from the Supreme Court last summer. Other recent stories have included the ongoing ethics investigation into Rep. Tom DeLay's (R-TX) travel financing and his past relationships with lobbyists, as well as the 2004 and 2000 presidential elections and the terrorist attacks of September 11, 2001

Prior to joining **FNC**, Wilson co-anchored the morning news on Washington, D.C. **FOX** affiliate **WTTG-TV** and served as the station's Capitol Hill correspondent. Before that, he covered the Pentagon for **WTTG** during the Persian Gulf War.
