Students who are not intending to apply for need-based financial aid should submit the [International Student Certificate of Finances](#) form.

Students who would like to be considered for need-based financial aid should submit the [International Student Financial Aid Application](#) form.

*Please note that you may also submit the [CSS Financial Aid profile](#) in lieu of the ISFAA if you would like to be considered for need-based aid.

If you are admitted, and decide to enroll at DePauw, we will at that time also require that you submit an official bank letter or statement stating that you have the funds available to support your study at DePauw so that we can issue an I-20 form for you.
