Lilly Endowment Internship Stipends

As the grant award stipulates, DePauw will provide up to 10 matching internship stipends to support students in summer, semester, Winter Term, and combined term internships at Indiana start-up, small-, and mid-sized firms in the five sectors targeted by the state for leading economic development:

1. Life sciences and bio-tech
2. Advanced logistics
3. Advanced manufacturing
4. Information technology
5. Capital development

Qualifications

A prospective recipient must –

- Be a full-time DePauw Student.
- Have maintained a 3.0 grade point average without incompletes while at DePauw.
- Individually negotiate his/her own full-time (30+ hours/week) internship.
- Semester-long internship applicants must go through the independently designed internship process, outlined by the office of off-campus study.
- Winter Term internship applicants must apply through the winter term office.

Application Requirements

All applications must include –

- Proof of internship (e.g., a letter from the prospective employer), including time period of the internship, as well as the name and telephone number of the host.
- A completed application form.
- A current resume.
- One letter of recommendation from a member of the DePauw faculty.
- A cover letter stating your interest in being considered for the stipend award.
