Introducing the Hall of Fame 2019 Class of Inductees

**REX CALL, DIRECTOR OF SPORTS MEDICINE**

Rex Call came to DePauw in 1980 for the first of two stints in Greencastle as the only athletic trainer for all of DePauw’s teams. He retired in 2016 as the director of sports medicine, and as a faculty member with rank of associate professor. In 30 years, Call oversaw athletic health care for thousands of DePauw student-athletes. Through his work and dedication, he significantly expanded the athletic trainer and team physician care provided to DePauw teams. Call also taught and mentored countless students in both the classroom and in the athletic training room. Many of his students went on to careers in health professions and in sports medicine-related areas.

Call earned his bachelor’s degree in 1979 from Ball State University and his Master of Science degree in physical education with specialization in athletic training from the University of Arizona in 1980. He spent three years at DePauw and then moved to the University of Pittsburgh, where he was an assistant athletic trainer and clinical instructor for three years and head athletic trainer for a year. He spent two years as an athletic trainer for The Physical Therapy Group in Greensburg, Pa., and worked on the Buffalo Bills’ athletic training staff at the team’s pre-season training camps in 1982 and 1983. Call returned to DePauw in 1989 and, in 2002, the Indiana Athletic Trainers Association named him the College Athletic Trainer of the Year. In 2016 the organization presented him with the President’s Excellence Award. Call was inducted into the Ball State Cardinal Sports Medicine Society Ring of Honor in 2014.

Call was a member of Main Street Greencastle and served on its board. He also was a member of the Heritage Preservation Society and served on the initial Heritage Wall Committee, which established the Heritage Wall, which bears plaques about important events in Greencastle’s history. Call and his wife, Carol, reside in the Greencastle area and have three married children and nine grandchildren.

**NATALIE SHAFFER GOVERT ’05, WOMEN’S CROSS COUNTRY/TRACK AND FIELD**

Natalie Govert earned four varsity letters as a member of the women’s cross country and women’s track and field teams. In cross country she won three individual Southern Collegiate Athletic Conference championships after finishing second in her first year and she still holds 3 of the five fastest times at the 5,000 meter distance in SCAC Championships history. She finished third twice and sixth and 13th on two other appearances at the NCAA Regionals, leading to three appearances in the NCAA Cross Country Championships; she placed in the top 50 each time, including 36th in 2002. Govert led the 2004 team to the program's first NCAA appearance, where it finished 16th, and she graduated with the school’s best cross country times for 5,000- and 6000-meter distances. She was one of three unanimous selections and DePauw’s only honoree to the SCAC's 15th anniversary team in 2005.

In track and field, Govert earned all-SCAC honors four times, including a 1,500-meter championship as a senior and a runner-up finish in 2002. She also was second in the 5,000 meters in 2003 and 2005. A four-time NCAA qualifier in indoor and outdoor track, she placed ninth in the 1,500 meters at the 2002 NCAA Outdoor Championships and 18th in the 5,000 meters at the 2003 NCAA Outdoor Championships. She still holds DePauw’s indoor 1,500-meter record and the second-fastest spot in both the outdoor 1,500- and 5,000-meter and the indoor mile.

Upon graduation, Govert became a lab technician at Dow AgroSciences through Kelly Scientific Resources job placement; she went on to become a scientific recruiter for KSR and a recruiter and human resources officer at Polaris Laboratories. Govert currently works as a teacher at Thrive Preschool in Westfield, Ind. She and husband Bret, a 2005 DePauw graduate, are parents of three children.

**AMY HASBROOK ’00, WOMEN’S BASKETBALL**

Amy Hasbrook was a four-year letter winner and three-year starter for the women’s basketball team. After playing 13 games in her first season, Hasbrook started the final 80 games of her collegiate career. The team’s leading rebounder during her junior and senior seasons, Hasbrook totaled 682 rebounds, including 317 on the offensive glass, placing her third among all DePauw players at the time of her graduation; she still ranks sixth at the time of her induction. She led the Tigers in field-goal shooting in each of her final two seasons and finished her career as DePauw’s all-time leading shooter at 65.2 percent. An honorable mention all-Southern Collegiate Athletic Conference selection as a junior, Hasbrook was named to the second team as a senior.
She earned a spot on the SCAC’s Academic Honor Roll in 1999 and 2000 and was named the team’s best defender each of her final three seasons. During her four seasons, the Tigers were 87–19 and won four conference titles, while making three NCAA Division III postseason appearances. Her love of women’s basketball inspired her to create “GBT,” Greek-letters which stood for Girl’s Basketball Team. Amy was “a relentless worker who set an incredible example on and off the court,” shares Kris Huffman, further describing Amy as the fiercest competitor she has ever coached.

Amy was proud of her time within the community and at Greencastle High School, volunteering with the Kids Best Friends Camp, Little Sisters Program, coaching, and also serving as an officer for Kappa Alpha Theta.

Following graduation, she worked as assistant director of basketball operations, communications and championships for the Indianapolis-based Horizon League. Tragically, Amy died Feb. 2, 2002, in a house fire. The women’s basketball team annually hosts a tournament in her name, with proceeds going to the People’s Burn Foundation of Indianapolis. To date, the DePauw Women’s Basketball has raised over $100,000 for People’s Burn Foundation and their Brave Hearts Summer Camps in Amy’s memory.

Her brothers and sisters say she was the kindest, nicest, most loyal cheerleader they had.

**PRUDENCE DIX HILGER ’57, MASTERS RUNNER**

Prudy Hilger attended DePauw at a time when opportunities to compete in intercollegiate sports weren’t available to women. While at DePauw, Prudy played intramural basketball, and was the Kappa Kappa Gamma representative to the intramural board.

However, in her postgraduate years, she distinguished herself as a masters-level runner. For three straight years in the late 1980s, Hilger placed in the top seven of the 50-and-over age group at the Boston Marathon, including a fifth-place showing. In addition to the Boston Marathon, she won 64 races and finished second only three time while competing in the 50-60 age group. Breaking age-group course records at most races that kept records, Hilger defeated the 50-and-over 5,000-meter American record holder when she won the Columbus, Ohio, Bank One Marathon. In 1989, she was the 19th honoree elected to the Colorado Sportswomen Hall of Fame, an honor given only to those who have three Sportswoman of the Year Awards in her area of competition (masters running). When she was 57, she was first woman overall in a 5k in Elbert, CO. At the DePauw 50th reunion in 2007, Hilger was presented with the varsity “D” letter blanket.

She has served on the house board of Kappa Kappa Gamma at the University of Colorado, on the boards of a ballet dance company and her homeowners’ association as an officer and board member of her chapter of the Daughters of the American Revolution.

**RYAN Sipe ’05, BASEBALL**

Ryan Sipe earned four letters and graduated as DePauw’s all-time batting leader, with a .389 average; he also holds school records for runs scored (156), base hits (236), doubles (51) and total bases (343). A second baseman, Sipe was named to the all-region third team in 2003, the first team in 2004 and the second team as a senior. He was named three times to the All-Southern Collegiate Athletic Conference first team, after earning honorable mention in his first season. He later was one of three second basemen named to the SCAC’s all-decade team in 2005 and DePauw’s only selection. In 2004, Sipe broke the school’s single-season records for runs scored (53) and total bases (115); he held those marks until 2017. His .435 batting average in 2004 is still the third-best in a DePauw season. He led the team to a school-record 28 wins in 2004; that record was broken the next season with 29 and, as a senior, Sipe reached base in 38 straight games. He collected at least one base hit in 73 of 85 games during his final two seasons and had at least two hits in 68 games.

Following graduation, he was an account executive with Just Marketing Inc. until 2008, when he moved to a position with National Wine & Spirits Inc. He joined Southern Glazer’s Wine and Spirits of America in 2010 and currently serves as vice president and general manager with Coastal Pacific Wine and Spirits. Sipe and his wife, Brooke, reside in suburban Philadelphia.

**BRAD STEVENS ’99, MEN’S BASKETBALL**

Brad Stevens earned four varsity letters in men’s basketball as he played in all 101 games during his career. An all-Indiana Collegiate Athletic Conference honorable mention selection in 1996 and DePauw Coaches’ Award recipient as a senior, Stevens twice recorded a career-high 24 points in a game. He was a management fellow and a three-time Academic All-America© nominee, while also serving as a civic intern.
at DePauw’s Hartman Center. He earned a BA degree in economics and began a career as a marketing associate at Eli Lilly and Co. Stevens left that position to pursue his coaching dream.

Starting as a volunteer coach at Butler University in summer 2000, Stevens became the Bulldogs’ director of basketball operations for the 2000-01 season and a full-time coaching assistant the next season. He remained in that capacity until April 2007, when he was named the team’s head coach. In six seasons at the helm, he posted a 166-49 record, and his team made two appearances in the NCAA Division I Men’s Basketball Championship game. He set Division I records for the best coaching starts after his third, fourth, fifth and sixth seasons. On July 3, 2013, Stevens became the 17th head coach of the Boston Celtics. In his fourth season he led the Celtics to an NBA Eastern Conference–best record of 53-29 and an appearance in the conference finals; the 2018 squad was 55-27 and also advanced to the conference finals. In 2017, he was the sixth Boston coach to coach the Eastern Conference All-Star team. Over the course of six seasons, his teams are 270-222 and he was named the conference coach of the month three times.

Stevens and his wife, Tracy, also a 1999 DePauw graduate, are parents of son Brady and daughter Kinsley.

ANTON THOMPKINS ‘91, MEN’S SOCCER

Anton Thompkins earned four varsity letters as a member of the men’s soccer team. A three-time all-region selection, Thompkins was a third-team honoree in 1988 and second-team in each of his final two seasons. He earned all-Indiana Collegiate Athletic Conference honors in the ‘Tigers’ first two seasons in the conference. At the time of his induction, he ranked 16th in goals (25), 20th in assists (14) and 18th in points (64). During his four seasons, the Tigers posted a 54-16-2 record and made NCAA appearances in 1987 and 1989.

Thompkins graduated medical school from the University of Cincinnati College of Medicine. His general surgery internship and orthopedic surgery residency training took place at the Indiana University Medical Center in Indianapolis. He took additional specialty training through a spine surgery fellowship at Panorama Orthopedics in Golden, Colo. Board-certified in orthopedic surgery and fellowship-trained in spine surgery, Thompkins joined Lakeshore Bone & Joint Institute in Northwest Indiana in 2001, where he provides specialized diagnosis and surgical treatment for injuries and conditions of the back, neck and spine.

1983-84 MEN’S BASKETBALL TEAM

The 1983-84 men’s basketball season was a campaign of many firsts and records as the Tigers won a school-record 25 games on the way to a 25-5 finish under the direction of third-year head coach Mike Steele. They earned a bid to the NCAA Division III Men’s Basketball Championship and advanced to the national semifinals before placing third in the nation.

After finishing the previous season with 11 straight wins and a school-record 18 victories and narrowly missing a trip to the postseason, the Tigers opened the 1983-84 year with a pair of wins before falling to Butler in Hinkle Fieldhouse. A four-game win streak started with a win at preseason fourth-ranked Illinois Wesleyan. The Tigers’ second loss came by two points at Division I Valparaiso as the Crusaders hit two free throws with two seconds left. DePauw ran its record to 13-2 after capturing the DePauw Invitational. DePauw rattled off eight straight wins before finishing the regular season with a 21-4 record.

Not only did the Tigers earn a spot in the NCAA tournament, but they were selected as the Great Lakes Region host. In a packed Neal Fieldhouse, DePauw defeated Capital 62-60 and Heidelberg 54-53 in overtime to advance to the national quarterfinals. The Tigers again were selected as a quarterfinal host and entertained Lemoyne-Owen of Memphis, Tenn. DePauw had little trouble in advancing to the national semifinals following a 98-49 win. That victory wrapped up a perfect 15-0 home record for the season. A trip to Calvin College followed and the Tigers fell to eventual Division III champion Wisconsin-Whitewater in the semifinals but came back the next night to top Upsala and finish third in the country.

Dave Hathaway led the Tigers in scoring with 16.0 points per game and earned third team all-America honors from the National Basketball Coaches Association. Phil Wendel broke the single-season school record with 178 assists, a mark that stood for 18 years. The team also established school records for free throws made (521) and attempted (685), both of which still stand.
DEPAUW UNIVERSITY
“D” Association and Athletics Hall of Fame By-Laws

Purpose
The purpose of the DePauw University Athletics Hall of Fame is to give lasting recognition to those individuals and teams who have made exceptional contributions to the achievements and prestige of DePauw University in the field of athletics and who have continued to demonstrate in their lives the values imparted by intercollegiate athletics. Furthermore, it is the purpose of the Hall of Fame to promote more interest in the DePauw University athletic program among alumni and especially the “D” alumni association members and to display before students in attendance at the University, the performance of past athletes who have contributed so much in making DePauw University a great school.

Board of Directors
The Board of Directors is the official governing body concerning all projects, programs and actions of the DePauw University Athletics Hall of Fame. The Board of Directors consists of members from the “D” Association and University staff:

Permanent Members
Theodore M. Katula Director of Athletics and Recreational Sports – Stevie Baker-Watson Executive Director of Alumni Engagement – Leslie Williams Smith ’03

Faculty Athletic Representatives – David N. Geallman, A.W. Crandall professor of history and chair of the history department, and Pamela M. Propsom, Kenneth S. Wagoner professor of psychology

Coaches Representative – Mary M. Breitser, emerita professor of kinesiology and associate athletics director

President of the Alumni “D” Association – Richard J. Bonaccorsi ’85

President Emeritus of the “D” Association – Dr. Philip N. Eskew Jr. ’63

Director of Athletics Communications – William J. Wagner

Elected Members
Jennifer A. Bauer ’88
S. Page Cotton Jr. ’71
Robert J. Doyle ’82
Sarah Miller Humbert ’97
Thomas G. Spiece ’70
Dr. John B. Stephens ’03

The initial elected committee members were chosen by the permanent members of the committee with attention given to ensuring that all athletic eras are represented to the extent this is possible. Individuals elected after the first year shall serve a term of three years and may be re-elected. Should any member resign or otherwise become unable to serve during a term, a replacement shall be elected by the committee of the whole. A committee member may be elected for additional terms. The chairperson of the Board of Directors shall be elected by group. The Executive Director of Alumni Engagement shall serve as secretary and keep all records. All members shall serve without compensation of any kind. The Board of Directors shall meet once in the spring/summer for the purpose of electing the Fall class of inductees. Changes in these by-laws of the DePauw University Athletics Hall of Fame may be made by a majority vote of the Board of Directors.

Criteria for Nomination

Individual Athletes, Coaches and Teams
Any DePauw University alumnus or alumna whose class graduated at least 10 years prior and who earned a varsity letter from the DePauw University athletic department is eligible for nomination to membership in the Athletics Hall of Fame. For female athletes who graduated before “D” letters were awarded to women, outstanding accomplishments or records in athletics will be considered as appropriate qualifications for nomination.

Similarly, outstanding athletic teams and distinguished members of the DePauw coaching staff are also eligible for nomination and membership. Any coach or administrator must have retired or departed from the University at least two years prior to his or her nomination.

All nominees to the Hall of Fame must have conducted themselves in such a manner as to reflect honor upon DePauw University and have qualities of character and standards of conduct that are exemplary. No automatic criteria will be utilized for nomination, and special recognition may be granted where it is deemed appropriate by the selection committee. While athletic achievement is of prime importance, moral character and good citizenship during both undergraduate and post-graduate years will be taken into consideration. The record of the individual or athletic team must be so outstanding that there are no questions of qualifying for the Athletics Hall of Fame.

Requests for nominations shall be made in appropriate issues of the DePauw Magazine. Nominations may be made by anyone, and individuals not selected shall remain on the list for consideration for a five-year period. These individuals are eligible for renomination. Nominations must be made in writing, including supporting evidence of the nominee’s qualifying accomplishments, and be received in the office of alumni engagement by December 31. Nominations will not be publicly disclosed.

Contact Info: Leslie Williams Smith ’03, Executive Director for Alumni Engagement, Robert G. Bottoms Alumni and Development Center, P.O. Box 37, DePauw University, Greencastle, IN 46135-0037, lesliesmith@depauw.edu.

Induction
A charter class of no more than 25 members was inducted in the first year. In subsequent years, the number of inductees shall not exceed six. In selecting those to be inducted, consideration shall at all times be given to representation of all varsity sports and of all eligible DePauw student generations.

Recognition
The Board of Directors of the DePauw Athletics Hall of Fame shall establish nomination and selection schedules, types of awards, presentation procedures and the permanent display of inducted honorees.

Selected members shall be notified by the chairperson of the Board of Directors of the Athletic Hall of Fame. Members will be inducted into the DePauw University Athletic Hall of Fame to be held once each year. A suitable plaque will be presented to the honorees, and an appropriate permanent display or recognition will be established on the campus.

Honorary Membership
The category of honorary membership in the Hall of Fame was added to the by-laws in May 1995. The Board of Directors may convey honorary membership to those individuals who, by virtue of their time, resources and dedication, have significantly supported, enhanced and advanced the interscholastic athletic programs of DePauw University.

Criteria
Individuals recognized may or may not have had any direct affiliation with DePauw University. Their contributions may be varied: faculty athletic adviser, financial supporter of the athletic program, valued employee of the athletic department, volunteer coach or team physician among others. These contributions should be of significantly long duration (at least 10 years). The individual must not currently be active with the DePauw athletic program.

Induction
Nominations will be solicited from the same channels as traditional Hall of Fame nominees, and, in addition, strong consideration will be given nominees submitted by members of the DePauw Athletics Department. While it may be appropriate to induct a larger “charter” class, normally the number of honorary members should not exceed one to two per year. In some years, there may be no one inducted as an honorary member.

Recognition
The honorary inductees will be invited to attend and participate in the annual Hall of Fame induction. In addition, a plaque, similar in size and type to the other plaques, will be permanently placed on the Hall of Fame wall in the Lilly Center. Each inductee’s name will be inscribed on this plaque as he or she is inducted.
