Zoom

Stewart Burns '13

Manager, KSM Consulting

Stewart is a Manager in the Strategies & Outcomes group of KSM Consulting. KSMC is an Indianapolis-based consulting firm specializing in management consulting, technology services, and data analytics. Stewart's clients include federal, state, and local government clients and agency leadership. His projects generally focus on organizational and operational assessments, change management, business relationship management, strategy implementation, program research, and policy analysis.

Stewart graduated from DePauw University in 2013 and began his professional career as a member of the Orr Entrepreneurial Fellowship while working for KSM Consulting. In 2017, he completed an MSc in Economic History from The London School of Economics & Political Science. Stewart is currently the President of the DePauw GOLD (Graduates of the Last Decade) Alumni Board.

Francesca Moya '19

Technology Consultant, West Monroe Partners

Francesca graduated from DePauw in 2019 and began her career at West Monroe in Chicago. Francesca is a Technology Consultant concentrating in the Software Engineering solution line. Throughout her career, she has worked as a Full Stack Developer and a Technical Business Analyst. She has also worked on various industries such as Energy & Utilities, Healthcare, and Banking.

Outside of project work, Francesca is involved in recruiting and started a Personal Finance & Investing Committee! While at DePauw, Francesca majored in Computer Science and minored in Economics. She worked at the Hubbard Center as a Coquillet Peer Consultant and was Co-President of Women in Computer Science.

Adam Weaver '13

Supervising Associate, Diversity and Inclusiveness, EY

Adam Weaver is a Supervising Associate in the EY Americas Diversity and Inclusiveness (D&I) Office. Adam started his career in 2013 with EY Germany's Consulting practice, based in Berlin, in which he advised clients on global transformation projects. Adam also worked in EY South Africa's People Advisory Services practice, where he consulted Johannesburg-based clients on a number of talent-related topics, including employment equity and inclusive HR policies. In 2018, he moved to the US to join the Americas D&I team. In this role, he works on the strategic development and implementation of initiatives designed to further advance EY's culture of inclusiveness and belonging.

Adam attended DePauw University, where he was a member of the Management Fellows program. He graduated in 2013 with a bachelor's degree in Economics and German. He currently lives in the Indianapolis area with his husband Jeff and two cats.

Steve Kubiak '17

Consulting Associate, Huron

Steve graduated from DePauw in 2017 then began his career at Huron Consulting Group in Chicago. At Huron, Steve is a technology consultant who specializes in Salesforce - the leading Customer Relationship Management (CRM) platform. Throughout his career, Steve has served in roles ranging from Business Analyst to Project Lead and worked with clients in a variety of industries, including: Higher Education, Healthcare, Manufacturing, and Chemicals/Hygiene/Sanitization. Steve's most notable project work includes a global Salesforce implementation that was rolled out to 21 countries across 17 different languages.

While at DePauw, Steve was a member of the football team and now exhausts his passion for the game into the Chicago Bears, which is equal parts fun and depressing.
