To The Class of 1999,

With great pleasure I invite you back to DePauw University to celebrate your 25th reunion on June 7-8, 2024. Throughout the weekend, you will have opportunities to connect with other alumni from far and wide, culminating with a final celebration with your classmates from 1999.

You may recall from your DePauw years the wonder of studying abroad and happy hours at The Fluttering Duck. The campus glowed with luminaria after the Service of Lessons and Carols. Winter Term provided an open door of opportunities. Hathaway's Restaurant, Gould's Market, and Fine Print Bookstore were still around. The VAX lab in the S&M was a popular hangout. Dave Matthews and Tim Reynolds, The Why Store, and hypnotist Tom DeLuca performed in Kresge Auditorium. And we won the Monon Bell three years in a row!

Many of the wonderful traditions, rigorous learning experiences, and good vibes you remember from DePauw remain, even as the university adapts to meet the changing needs of today's students. Your 25th reunion beckons you to DePauw for a few magical days of renewed friendships and immersion in the life of the university.

I look forward to welcoming you and your class back to campus. Please make plans to join us. DePauw eagerly awaits your return.

Sincerely yours,

Dr. Lori S. White
President
