

# Environmental & Sustainability Opportunities

DePauw University  
November 8, 2017

## JOB OPPORTUNITIES

### [The Environmental Jobs Bulletin](#)

A source for the most current jobs in engineering, science, policy, energy, and more.

### [Orion Magazine](#)

“The Grassroots Jobsource that connects the leaders of tomorrow with good work today.”

### [Environmental Leadership Program Job Board](#)

The mission of the ELP is to support visionary, action oriented, and diverse leadership for a just and sustainable future.

Linkedin

### [Green Jobs](#) & Career Network

You must request permission to join.

### [Green Jobs & Career Network Facebook Page](#)

[The AASHE Bulletin](#) – The Association for the Advancement of Sustainability in Higher Education

### [American Council for an Energy-Efficient Economy \(ACEEE\)](#)

Click the link above for employment opportunities.

### [FoodCorps](#)

Click the link above to access open positions.

FoodCorps is a nationwide team of AmeriCorps leaders who connect kids to real food and help them grow up healthy.

### [American Council for an Energy-Efficient Economy \(ACEEE\)](#)

The ACEEE is a nonprofit organization that acts as a catalyst to advance energy efficiency policies, programs, technologies, investments, and behaviors. Click the link above for jobs and internships with ACEEE as well as job listings with other organizations.

### [Silent Springs Institute](#)

Silent Springs Institute is hiring at all levels, including research assistants and internships. Check out the link.

World Resources Institute (WRI)

– Andrew Maddocks '11 works at WRI in Outreach and Development, Aqueduct

[Job Listings](#)

[EPA – United States Environmental Protection Agency](#)

Click the link above to check out opportunities with the EPA

[LA Cleantech Incubator \(LACI\)](#)

Multiple job opportunities listed.

Department of Environmental Equality

Oregon

Multiple job listings.

[The Nature Conservancy](#)

Multiple job and internship listings.

DPU alum Nathan Cummings '12 works at the national Nature Conservancy in DC.

[National Outdoor Leadership School \(NOLS\)](#)

Multiple job and internship listings.

[OSA \(Office of Science Advisor\) Administrative Support Associate at EPA](#) - **NEW**

The OSA is hiring an Administrative Support Associate with the Office of Research and Development at the EPA Ronald Reagan Building in Washington, D.C. Seeking recent graduates that majored in Business or Communications.

[Resources for the Future \(RFF\)](#)

Looking for Research Assistants, applicants should have a master's or bachelor's degree in economics, engineering, natural sciences, mathematics, or a related field.

[Positions with GHD](#)

GHD is one of the world's leading professional services company operating in the global markets of water, energy and resources, environment, property and buildings, and transportation. For more information, interested students can contact [envfellows@depauw.edu](mailto:envfellows@depauw.edu) to connect with a DePauw alum that works for the company.

Brendle Group

The Brendle Group is an engineering and planning firm focused on helping clients solve complex problems while creating lasting impacts for sustainability.

[Position available: Sustainability Consultant](#). - **NEW**

## **VOLUNTEER OPPORTUNITIES**

### Putnam County Soil and Water Conservation

Looking for students interested in volunteering with outreach education on conservation in Putnam County, Indiana. Topics include: water quality, invasive species, land management, soil health, and pollinators. The majority of the work would be at schools, but could be at the public libraries, farmer's markets and various other localities in Putnam County. Volunteers should be willing to work with K-12, and pass background check if working in schools. Training and materials will be provided. Once a month time commitments would be ideal. Please contact Wendy Tomamichel [317-366-5692](tel:317-366-5692) or email [wendy.tomamichel@putnamswcd.org](mailto:wendy.tomamichel@putnamswcd.org).

## **INTERNSHIPS - Semester**

Check out TigerTracks for more opportunities or contact the Hubbard Center.

### [Orion Magazine](#)

"The Grassroots Jobsource that connects the leaders of tomorrow with good work today."  
Check out available internship opportunities.

### [Second Nature](#)

Boston, MA

### [Smithsonian Associates Internships](#)

Washington D.C.

[Smithsonian Associates](#) presents more than 1,500 programs each year on topics in the fields of art and architecture, culinary arts, current issues, history, international affairs, literature and writing, music, theater and film, personal and professional development, philosophy and religion, popular culture and sciences. Semester and summer-long internships are available.

### [Marine Mammal Rescue Internship](#)

Moss Landing, CA

Deadline: November 8, 2017

The Rescue and Response team at The Marine Mammal Center is seeking applicants for their [Monterey Bay Operations Rescue and Response Internship](#) working primarily with stranded pinnipeds, as well as occasional cetaceans and sea otters. Semester and summer-long internships are available.

### [Indiana State Senate Internship](#)

The Indiana State Senate Democrat and Republican Caucuses offer legislative, legal, communications, and information technology internships, all of which provide paid, hands-on

experience in the state legislature. These spring semester positions align well with obtaining academic credit and offer a variety of scholarship and networking opportunities.

#### [Internships with GHD](#)

GHD is one of the world's leading professional services company operating in the global markets of water, energy and resources, environment, property and buildings, and transportation. For more information, interested students can contact [envfellows@depauw.edu](mailto:envfellows@depauw.edu) to connect with a DePauw alum that works for the company.

#### [RE-volv's Solar Ambassador Program](#)

Over the course of one academic year, Solar Ambassadors work in teams to identify a nonprofit or co-op near their campus that wants to go solar. The team works with RE-volv to set-up the project and run a crowdfunding campaign to underwrite the solar energy system. [Click here for more information.](#)

#### Post-Landfill Action Network (PLAN)

Creative Social Media Internship and Philly Local Food Internship are available to students interested in growing a grassroots zero waste movement. Internships require a five-hour per week commitment and are satellite positions – meaning you work from wherever you are. [Learn more and apply here.](#) Summer internships are also available.

#### [National Outdoor Leadership School \(NOLS\)](#)

Multiple job and internship listings.

#### [NAACP Climate Justice](#)

Paid and unpaid internships available.

#### [The Nature Conservancy](#)

Semester internship opportunities are available. Please contact [envfellows@depauw.edu](mailto:envfellows@depauw.edu) for more information.

DPU alum Nathan Cummings '12 works at the national Nature Conservancy in DC.

#### World Resources Institute (WRI)

– Andrew Maddocks '11 works at WRI in Outreach and Development, Aqueduct

[Internship Listings](#)

#### [LA Cleantech Incubator \(LACI\)](#)

Multiple internship and volunteer opportunities listed.

#### [White Violet Center for Eco-Justice](#)

Saint Mary-of-the-Woods, Indiana

[Organic Gardening, Alpaca, and Fiber Arts Internships](#)

Three-month minimum commitment. Interns are provided a private dorm-style room, farm produce, one meal per day and a household budget for other meals, a \$100.00 monthly stipend, and access to [workshops](#). There are opportunities to learn fiber arts as well as environmental advocacy, community engagement, and spiritual group.

### [Our Climate](#)

The Put a Price On It campaign, in conjunction with Citizens Climate Lobby, mobilizes students to enact carbon-pricing policy. Join an action team, be a field representative or apply for a fellowship. Compensation for fellowships is available on a competitive basis.

### Big City Farms

Indianapolis, IN

Possible internships available for all seasons. Contact: [matthew@bigcityfarmsindy.com](mailto:matthew@bigcityfarmsindy.com)

### [Cummins](#)

Fall internships in corporate responsibility in Pune, India are available for DePauw students in Honors Programs. Contact [bethany.harrod@cummins.com](mailto:bethany.harrod@cummins.com) for more information.

### CIRENAS Permaculture Internship

Centro de Investigaciones de Recursos Naturales y Sociales (CIRENAS) is seeking interns to work with the permaculture program on its campus on the Pacific coast in Costa Rica. Interns pay \$600.00 per month to cover room and board expenses. For more information and to request an application contact [samkenworthy@cirenas.org](mailto:samkenworthy@cirenas.org).

### [Subaru of Indiana Automotive, Inc \(SIA\)](#)

SIA became the first automotive assembly plant to be "Zero-Landfill". SIA has a semester long internship available to students in their Environmental Division. Contact [envfellows@depauw.edu](mailto:envfellows@depauw.edu) for more information.

### [Foundation for Sustainable Development](#)

The FSD works with more than 250 partner organizations to create incremental, lasting change in communities around the world. Both semester-long and summer-long internships are available. Lisa Kuhn '98 is executive director. Coco Bernard '19 interned with FSD during the summer of 2017.

### [Silent Springs Institute](#)

Silent Springs Institute is hiring at all levels, including research assistants and internships. Check out the link.

## **SUMMER PROGRAMS & INTERNSHIPS**

Check out TigerTracks or contact the Hubbard Center for more opportunities.

For off-campus study check out Horizons for more opportunities.  
Contact: Mandy Brookins Blinn - [amandabrookinsblinn@depauw.edu](mailto:amandabrookinsblinn@depauw.edu)  
(Director of Off-Campus Study)

[Orion Magazine](#)

“The Grassroots Jobsource that connects the leaders of tomorrow with good work today.”  
Check out available internship opportunities.

Institute for Broadening Participation (IBP) Resource  
[584 Paid Summer Research Programs for Undergraduates](#)

[American Council for an Energy-Efficient Economy \(ACEEE\)](#)

Click the link above for summer internships.

[Institute for Tropical Ecology and Conservation \(ITEC\)](#)

Bocas del Toro, Panama

ITEC offers field courses during the summer and over winter break.

Research Experience for Undergraduates (REU) - **NEW**

Tarleton State University, Texas

[Restoring cattle ranches for sustainable land and water resources](#). A 10-week summer research experience. Successful candidates will receive up to \$750 in round trip travel, free on-campus housing, a \$550 weekly stipend, \$70 weekly food allowance and basic medical insurance.

[DOE Scholars Program](#) - **NEW**

The DOE Scholars Program offers unique opportunities that introduce students or post-graduates to the mission and operations of the U.S. Department of Energy.

[Mickey Leland Energy Fellowship \(MLEF\) Program](#) - **NEW**

Deadline: January 3, 2018

The Mickey Leland Energy Fellowship (MLEF) Program provides college students with an opportunity to gain and develop research skills with the Department of Energy’s Office of Fossil Energy for 10 weeks over the summer. [Apply Here](#)

[Smithsonian Associates Internships](#)

Washington D.C.

[Smithsonian Associates](#) presents more than 1,500 programs each year on topics in the fields of art and architecture, culinary arts, current issues, history, international affairs, literature and writing, music, theater and film, personal and professional development, philosophy and religion, popular culture and sciences. Semester and summer-long internships are available.

[Marine Mammal Rescue Internship](#)

Moss Landing, CA

Deadline: November 8, 2017

The Rescue and Response team at The Marine Mammal Center is seeking applicants for their [Monterey Bay Operations Rescue and Response Internship](#) working primarily with stranded pinnipeds, as well as occasional cetaceans and sea otters. Semester and summer-long internships are available.

#### [Growing Places Indy Summer Apprenticeship Program](#)

This program immerses participants in the work of Growing Places Indy, from hands-on farm work to community engagement, fundraising, youth education, personal development and more. Compensation: \$400 stipend, a weekly veggie share, and yoga classes

#### [Islandwood Summer Programs Intern](#)

Interns team with experienced field instructors to create, plan and provide a variety of educational program for youth. Housing for the duration of the program is provided as well as a food stipend.

#### [Alaska Wrangell Mountains Field Studies](#)

An interdisciplinary summer learning expedition for college students in Wrangell-St. Elias National Park & Preserve. Students may receive 16 transferrable college credits in areas such as natural history, anthropology, and geology.

#### [Tatoosh School](#)

Summer field courses and research in Southeast Alaska.

Community Ecology: Salmon, People, Place

Aquatic & Terrestrial Ecology of Southeast Alaska

Politics of Place: Southeast Alaska

Stewardship of Salmon Rivers

#### [Mountain Resiliency](#)

Summer course to compare mountain resiliency movements between the Colorado Rockies and the Indian Himalayas, including a trip to the Himalayas to work with the Foundation for the Contemplation of Nature.

#### Buzzi Unicem Alternate Fuel Internship

Greencastle, IN

Deadline: April 2018 - Final candidate selection will be made at the end of April.

Paid summer internship with the Buzzi Unicem Alternate Fuel Division. Contact [envfellows@depauw.edu](mailto:envfellows@depauw.edu) for more information.

Post-Landfill Action Network (PLAN)

Internships are available to students interested in growing a grassroots zero waste movement. [Learn more and apply here.](#) Satellite positions for semester internships are also available.

[Summer Undergraduate Research Fellowship \(S.U.R.F\)  
Cincinnati Children's Hospital Medical Center](#)

DePauw will send up to 5 students per summer. Contact Colleen McCracken at the Hubbard Center or contact [envfellows@depauw.edu](mailto:envfellows@depauw.edu) to connect with Environmental Fellow alum Christine Cassidy '17 for more information.

[Second Nature](#)

Second Nature strives to help build a sustainable and positive global future through leadership networks in higher education.

[The Nature Conservancy](#)

Multiple internship listings.

DPU alum Nathan Cummings '12 works at the national Nature Conservancy in DC.

[National Outdoor Leadership School \(NOLS\)](#)

Multiple internship listings.

[LA Cleantech Incubator \(LACI\)](#)

Multiple internship and volunteer opportunities listed.

**Big City Farms**

Indianapolis, IN

Big City Farms builds urban farm networks that create good jobs for worker-owners, revitalize urban landscapes, and produce ultra-local, sustainably-grown food.

Contact: [matthew@bigcityfarmsindy.com](mailto:matthew@bigcityfarmsindy.com)

[South Circle Farm](#)

Indianapolis, IN

An urban farm and small business in Downtown Indy committed to helping create a healthier Indianapolis. Each season they host college interns. Contact [amy@southcirclefarm.com](mailto:amy@southcirclefarm.com) for more information.

[Foundation for Sustainable Development](#)

The FSD works with more than 250 partner organizations to create incremental, lasting change in communities around the world. Both semester-long and summer-long internships are available. Lisa Kuhn '98 is executive director. Connect with Environmental Fellow Coco Bernard '19, who interned remotely with FSD during Summer 2017, for more information.

Higher Education Research Experiences (HERE) Program

[Oak Ridge National Laboratory \(ORNL\)](#)

Opportunities for qualified students and recent graduates to participate in research and technical internships. Stipends based on academic status. Application is always open and selection may be made year-round.

#### [NAACP Climate Justice](#)

Paid and unpaid internships available.

State of Indiana

[Public Service Summer Internship Program](#)- paid internship positions among various Indiana state agencies.

#### [Middlebury School of the Environment](#)

#### [Mundell and Associates](#)

Indianapolis, IN

Consulting Professionals for the Earth and the Environment

Recent EFP grad Forrest Kunkel '15 interned with and now works for Mundell and Associates. He would be happy to speak with interested students. Please contact [envfellows@depauw.edu](mailto:envfellows@depauw.edu) for more information.

#### [Centre ValBio in Madagascar](#)

Stony Brook University

Both summer courses and internships are available with Dr. Wright – winner of the Indy Prize and DPU guest speaker. You may contact Molly Madden '18 who participated in a summer program for more information or contact [envfellows@depauw.edu](mailto:envfellows@depauw.edu) to connect with Megan McCann '17 who participated in the semester-long study abroad program.

#### [Companion Community Development Alternatives \(CoCoDa\)](#)

##### [Water/Sanitation Projects](#)

Ivan Villasboa ('93) is Program Director for CoCoDa.

National Science Foundation – Research for Undergraduates Websites

Click below to search the following lists.

[\(All Science Topics\)](#)

[\(Earth Science Projects\)](#)

[\(Atmospheric and Geospace Sciences\)](#)

[\(Ocean Sciences\)](#)

#### [Gustolab International Institute for Food Studies](#)

Courses and internships in Rome, Vietnam, and Japan are available during the summer program. If you have any questions, or to request an application, please write to [info@gustolab.com](mailto:info@gustolab.com). Environmental Fellow alum Cullen Hunter '17 participated in two courses

during the summer of 2016 in Rome and would be happy to discuss the program. Contact [envfellows@depauw.edu](mailto:envfellows@depauw.edu) for Cullen's contact information. Scholarships are available.

### [WWOOF](#)

WWOOF organizations connect people who want to live and learn on organic farms and smallholdings with people who are looking for volunteer help. WWOOF hosts offer food, accommodation and opportunities to learn about organic lifestyles. Volunteers have hands on help in return.

### [Sculpture Trails Outdoor Museum](#)

Solsberry, IN

The Museum's mission is to bring outdoor sculpture and art education to the community through various hand-on sculpture workshops, services and programs.

### [White Violet Center for Eco-Justice](#)

Saint Mary-of-the-Woods, Indiana

#### [Organic Gardening, Alpaca, and Fiber Arts Internships](#)

Three-month minimum commitment. Interns are provided a private dorm-style room, farm produce, one meal per day and a household budget for other meals, a \$100.00 monthly stipend, and access to [workshops](#). There are opportunities to learn fiber arts as well as environmental advocacy, community engagement, and spiritual group.

### [Silent Springs Institute](#)

Silent Springs Institute hires at all levels, including research assistants and internships. Check out the link.

Turtle Trax S.A.

Internships with the opportunity to get involved with sea turtle conservation, hands-on volunteer work, community projects, and locally based tourism -available to undergraduates and recent graduates. Apply [here](#).

### [Science Under Sail Expeditions](#)

Intensive 18-day expeditions. As active participants aboard an ongoing coral reef research expedition, students are challenged with the rigors of marine fieldwork.

### [Isla Mujeres Ethnographic Field School](#)

Isla Mujeres, Mexico

Summer Research in Mexico.

### [School for International Training \(SIT\)](#)

### [School for Field Studies \(SFS\)](#)

### [International Sustainable Studies Institute \(ISDSI\)](#)

Saha Global

Saha is looking for students and young professionals who feel passionately about international social justice, environmental sustainability or public health by participating in Saha's three week [Global Leadership Program](#) in Ghana.

### [The Alliance for Global Education](#)

India

### [Ecosystem Field Studies](#)

Summer, 3-credit, field science courses:

Caribbean Ecosystem Field Studies

Colorado Ecosystem Field Studies

### [Resources for the Future \(RFF\)](#)

Looking for Research Assistants, applicants should have a master's or bachelor's degree in economics, engineering, natural sciences, mathematics, or a related field.

## **WINTER TERM**

### [Woods Hole Oceanographic Institution](#)

Woods Hole, MA

Winter Term paid research positions are available for advanced undergraduates majoring in science, engineering or mathematics. Contact [envfellows@depauw.edu](mailto:envfellows@depauw.edu) for more information.

### [Sunlight Solar Internship](#)

Colorado Springs, CO

The intern will learn how Sunlight's business model operates, including how we generate interest, and how we pursue leads for potential solar customers. Applications for Winter Term 2018 will be accepted on the TigerTracks website until November 12, 2017. Alum Sarah White '16 is employed at [Sunlight Solar](#) and helping to coordinate the internship.

Saha Global

Saha is looking for students and young professionals who feel passionately about international social justice, environmental sustainability or public health by participating in Saha's three week [Global Leadership Program](#) in Ghana.

### [Mundell and Associates](#)

Indianapolis, IN

Consulting Professionals for the Earth and the Environment

Recent EFP grad Forrest Kunkel '15 interned with and now works for Mundell and Associates. He would be happy to speak with interested students. Please contact [envfellows@depauw.edu](mailto:envfellows@depauw.edu) for more information.

## **OFF-CAMPUS STUDY**

Check out Horizons for more opportunities.

Contact Mandy Brookins Blinn - [amandabrookinsblinn@depauw.edu](mailto:amandabrookinsblinn@depauw.edu)  
(Director of Off-Campus Study)

### [School for Field Studies \(SFS\)](#)

Australia/New Zealand: Rainforest Studies

Bhutan: Himalayan Environment and Society in Transition

Cambodia: River Ecosystems & Environmental Ethics

Costa Rica: Sustainable Development Studies

Panama: Sustainable Development Studies

Peru: Biodiversity and Development in the Amazon

Tanzania: Wildlife Management Studies

Turks & Caicos: Marine Resource Management Studies

### [SIT World Learning](#)

Australia: Sustainability and Environmental Action or Rainforest, Reef, and Cultural Ecology

Ecuador: Comparative Ecology and Conservation

IHP: Climate Change: The Politics of Food, Water, and Energy

India: Sustainable Development and Social Change

Madagascar: Biodiversity and Natural Resource Management

Mongolia: Geopolitics and the Environment

Panama: Tropical Ecology, Marine Ecosystems, and Biodiversity Conservation

Tanzania: Coastal Ecology and Natural Resource Management or  
Wildlife Conservation & Political Ecology

### [The Philadelphia Center \(TPC\)](#)

This program offers you the opportunity to gain college credit while living and learning independently in Philadelphia. With our help, you will secure a professional, accredited internship and housing in the city. You will explore career paths through real-world applications and rigorous seminar-style courses. Upon completion of the program, you will leave Philadelphia with a strong sense of your abilities, social and professional aspirations, and a plan for your future.

### [EuroScholars](#)

A unique research abroad program designed for undergraduates looking for an international research experience. Students conduct research at one of the 7 internationally renowned European Research Universities. Students have the opportunity to undertake one course in the classroom and then work under the direct supervision of professors and other academic staff on a specific academic research project chosen by both the student and the faculty.

### [Institute for Field Education \(IFE\)](#)

A European non-profit educational institute with semester long programs in France, Belgium, and now Spain. IFE's field study and internship programs are built around field research conducted on-site in a full-time internship. Programs are based in Paris, Strasbourg, Brussels, Andalucia, and Asturias. Students need at least 4 semesters of French or Spanish.

### [DIS Study Abroad in Scandinavia](#)

Programs in Copenhagen and Stockholm with diverse core course offerings including Environmental Science/Studies, Sustainability, Public Policy, Urban Studies, International Affairs, Public Health, and more. Courses and field studies focus on comparative studies, taught by practitioners and faculty, with opportunities for research.

### [The Umbra Institute: Food and Sustainability Studies Program](#)

Perugia, Italy

An interdisciplinary approach to the study of food and sustainability, to discover how the individual, the community, and society relate to food in Italy and beyond.

### [University of Hawai'i-Manoa](#)

Honolulu, Hawaii

Focus your study on environmental planning, land use, coastal resources, etc. through the Department of Urban and Regional Planning.

### [ISDSI](#)

International Sustainable Development Studies Institute

This program is not currently approved by DePauw (but hopefully will be soon).

### [Centre ValBio in Madagascar](#)

Stony Brook University

Research opportunities and courses are available with Dr. Wright – winner of the Indy Prize and DPU guest speaker. You may contact alum Megan McCann '17 who participated in the semester-long study abroad program for more information (email [envfellows@depauw.edu](mailto:envfellows@depauw.edu) to connect with her). This program is not currently approved by DePauw.

### [The Alliance for Global Education](#)

India

Research or internships in social science or clinical research with faculty or NGO's are available along with classroom course work. This program is not currently approved by DePauw.

### [Woods Hole Oceanographic Institution](#)

Woods Hole, MA

A semester-long program for advanced undergraduates majoring in science, engineering or mathematics that features a significant, for-credit research experience. The program is particularly well-suited for students who are planning to obtain an advanced degree in ocean sciences, ocean engineering, or related fields in the geosciences. This program is not currently approved by DePauw.

## **POST GRAD OPPORTUNITIES**

### [AmeriCorps](#)

AmeriCorps engages more than 75,000 Americans in intensive service each year at nonprofits, schools, public agencies, and community groups across the country.

### [Change Corps](#)

Change Corps is a paid, one-year full-immersion training program in grassroots organizing.

### [Civic Spark](#)

A Governor's Initiative AmeriCorps program dedicated to building capacity for local governments to address climate change is now recruiting members. Member applications are accepted on a rolling basis.

### [FoodCorps](#)

FoodCorps is a nationwide team of AmeriCorps leaders who connect kids to real food and help them grow up healthy.

### [Green Corps](#)

Green Corps runs a full year paid training program for college graduates that combines intensive classroom training with leaders in the environmental movement and field placement

working on urgent environmental issues with organizations like the Sierra Club and Food & Water Watch.

- Laura Stevens '07 participated in Green Corps ('09-10) and now works for the Sierra Club in Oregon. We can help connect you with her if you're interested in talking with someone that has experience with the organization.

#### [US Department of DOE Scholars Internship Program](#)

Appointments are available for a variety of disciplines at participating DOE facilities nationwide. Available to undergraduate, graduate, or postgraduates.

#### [Climate Corps Bay Area](#)

A Fellowship Program by Strategic Energy Innovations

A Climate Corps Bay Area Fellowship involves 10-months of experiential learning through implementation of climate change resiliency projects hosted by their network of Program Partners.

#### [Post-Landfill Action Network \(PLAN\)](#)

PLAN is a nonprofit, cooperative network of student leaders who are creating zero-waste solutions in their campus communities.

Higher Education Research Experiences (HERE) Program

#### [Oak Ridge National Laboratory \(ORNL\)](#)

Opportunities for qualified students and recent graduates to participate in research and technical internships. Stipends based on academic status. Application is always open and selection may be made year-round; apply [here](#) today.

Turtle Trax S.A.

Internships with the opportunity to get involved with sea turtle conservation, hands-on volunteer work, community projects, and locally based tourism -available to undergraduates and recent graduates. Apply [here](#).

#### [EnFocus](#)

EnFocus is an [ESTEEM](#) (Notre Dame Master's Program) spinoff that recruits recent college graduates to accept one-year paid Fellowship positions that work with South Bend community development initiative or work on kick-starting their own entrepreneurial endeavors.

## **GRAD PROGRAMS**

Institute for Broadening Participation (IBP) Resource

#### [355 Different Graduate Programs in STEM](#)

#### [MS in Sustainability](#)

St. Louis University

Recent DPU grad [Nick McCreary is a current graduate assistant](#) in the Saint Louis University Sustainability Office and completing the MS in Sustainability program.

Graduate Research Assistant (PhD)

Purdue University

The Department of Forestry and Natural Resources at Purdue University is seeking a doctor research assistant (RA) interested in the intersection of social inequalities and payments for ecosystem services to join our program as soon as spring semester January 2018 or fall semester July 2018. For more information, contact Dr. Zhao Ma ([zhaoma@purdue.edu](mailto:zhaoma@purdue.edu); 765-494-1790) or visit <http://web.ics.purdue.edu/~zhaoma/Ma/wordpress/>.

[Rosentiel School of Marine and Atmospheric Science](#)

University of Miami

EFP alum Madeline Piscetta '17 is currently pursuing a [Masters of Professional Science in Marine Conservation](#) and would be happy to connect with students. Please contact [envfellows@depauw.edu](mailto:envfellows@depauw.edu) for more information.

M.S. or Ph.D.

[Hillis Lab](#) in the [Human-Environment Systems Center \(HES\)](#)  
[Boise State University](#)

Recruiting graduate students to conduct interdisciplinary research on the social dynamics and sustainability of human-environment systems. [Click here for more details.](#)

PhD or Masters Student Research

Virginia Tech

Funded graduate research opportunity to be part of a team designed to investigate what techniques work best in environmental education. Contact [mjstern@vt.edu](mailto:mjstern@vt.edu) for more information.

[Project Dragonfly Global Field Program](#)

Miami University

Master's degree and international graduate courses. Graduate tuition for all programs is greatly reduced because of support from Miami University.

[MS in Environmental Science](#)

Villanova University, Pennsylvania

[international Master of Environmental Policy \(iMEP\)](#)

Duke Kunshan University

[The Ohio State University – Aquatic Ecology Laboratory](#)

Columbus, OH

Grand Valley State University, MI  
[Annis Water Resources Institute](#)

Graduate Fellowships  
University of Tennessee  
[Department of Microbiology](#)  
Up to 10 graduate assistantships available.

Graduate Student Positions  
[University of Missouri](#)  
The Limnology Lab in the School of Natural Resources is seeking students interested in water quality issues. [Apply here.](#)

[Ph.D. Assistantship in Environmental Education Research](#)  
[Ph.D. Assistantship in Human Dimensions of Wildlife](#) - NEW  
[MS and Ph.D. Assistantships in Human Dimensions of Citizen Science](#) - NEW  
North Carolina State University

[University of Hawaii at Manoa](#)

MS Environmental Science and Policy  
[School of Earth Sciences and Environmental Sustainability.](#)  
Northern Arizona University

[Human Dimensions of Natural Resources](#) – M.S. or PhD. Level  
Colorado State University

[Master's Degree in Greenhouse Gas Management and Accounting \(MGMA\)](#)  
Colorado State University

[SPEA](#) – The School of Public and Environmental Affairs [MPA](#) [MSES](#) [MPA-MSES](#)  
Indiana University –Apply by the early deadline and SPEA will cover the application fee for DePauw students.

DPU students who receive a "B" or better in a senior seminar in Economics, Political Science, Biology, Chemistry, Management Fellows, or Environmental Fellows will receive a 3-credit hour reduction toward the corresponding SPEA master's degree program, effectively reducing a 48-credit hour degree to a 45-credit hour degree.

PhD Fellowship at SPEA

Openings for a PhD fellowship for a post-Bachelors or post-Masters student on research on human behavior and natural resource use with Dr. Shahzeen Attari. Please submit an electronic application [here.](#)

[Center for Environmental Policy](#)

Bard University

Offers masters degrees through their [Graduate Programs in Sustainability](#).

The [Bard Center for Environmental Policy](#) (CEP) located at Bard College in New York, Hudson's Valley offers MS degrees in [Environmental Policy](#) and [Climate Science and Policy](#) .

M. Ed in Environmental Education – NEW!

[The Bard MBA in Sustainability](#) located in downtown NYC is one of a select few graduate programs globally that fully integrate sustainability into a core business curriculum.

Bard offers a scholarship opportunity for graduate study in their MS Environmental Policy and MS Climate Science and Policy programs. Students must be nationals of China, Japan, or Korea. An additional, full-ride scholarship is available for Tibetan speaking students.

[MES Master of Environmental Studies](#)

Evergreen State College, Olympia, WA

[Program on Science, Technology and Society \(STS\)](#)

Harvard Kennedy School

[College of Agriculture, Food and Environment](#)

University of Kentucky

[Environment and Society Fellowship](#) - NEW

[Department of Geography and Environmental Systems at UMBC](#)

Fellows will receive one year of departmental support, which includes full living stipend, health insurance and full tuition remission. Fellows will also receive up to an additional four years of full-time support in the form of a teaching assistantship. Applicants from across the natural and social sciences are welcome to apply.

[College of Earth, Ocean, and Environment](#)

University of Delaware

Graduate Research Fellowship - NEW

The University of Delaware and the Delaware Municipal Electric Corporation have established a fellowship in renewable energy research. The focus of the fellowship is wind energy and the storage of intermittent renewables. For questions regarding the fellowship contact Prof. Jeremy Firestone at [jf@udel.edu](mailto:jf@udel.edu). Also available: [Interdisciplinary Graduate Certificate in Wind Power Science, Engineering, and Policy](#)

[Master's Degree in Environmental Health Sciences](#) - NEW

[Master of Science \(MS\)](#) and [Master of Public Health \(MPH\)](#).

Columbia University School of Public Health

[MAS in Marine Biodiversity and Conservation](#)

UC San Diego

Scripps Institution of Oceanography

This 12-month intensive master's program is geared toward early- to mid-career professionals interested in marine conservation careers.

[School of Environment and Natural Resources](#)

Ohio State University

Voinovich School of Leadership and Public Affairs

[MS in Environmental Studies](#)

[MA or PhD in Ecology, Spirituality, and Religion](#)

California Institute of Integral Studies

[MA in Food Studies](#)

Chatham University, Pittsburgh, PA

[Master of Sustainable Energy](#)

The University of Queensland, Australia

[Environmental Management and Sustainability](#)

St. Edward's University, Austin, TX

Ecology, Evolution, Ecosystems Society

Dartmouth College, New Hampshire

EEES feature two overlapping tracks of scholarship and training. Both tracks contain a core of ecology and ecosystem science, with one track in Ecology and Evolutionary Biology (EEB) and the other in Sustainability, Ecosystems and Environment (SEE) with an added dimension of environmental social science.

[The Sustainability and Education Policy Network \(SEPN\)](#)

University of Saskatchewan, Canada

[School of Environment and Sustainability \(SENS\)](#)

University of Saskatchewan, Canada

Master of Water Security (New program beginning 2016)

Master of Sustainable Environmental Management

Master of Environment and Sustainability and PhD in Environment & Sustainability

[The Smithsonian-Mason School of Conservation](#)

George Mason University

[Engineering, Science Technology, Entrepreneurship Excellence Master's \(ESTEEM\) Program](#)

Notre Dame, Indiana

[EnFocus](#)

EnFocus is an [ESTEEM](#) (Notre Dame Master's Program) spinoff that recruits recent college graduates to accept one-year paid Fellowship positions that work with South Bend community development initiative or work on kick-starting their own entrepreneurial endeavors.

#### [College of Agricultural, Consumer and Environmental Sciences](#)

University of Illinois at Urbana Champaign

EFP alum Laura Crawford is currently in this grad program. If you would like to connect with Laura please email [envfellows@depauw.edu](mailto:envfellows@depauw.edu) for more information.

#### [Department of Urban + Regional Planning](#)

University of Illinois at Urbana Champaign

EFP alum Oksana Polhuy attended this grad program. If you would like to connect with Oksana please email [envfellows@depauw.edu](mailto:envfellows@depauw.edu) for more information.

#### [PhD in Public Policy and Management](#)

Carnegie Mellon University – [Heinz College](#)

EFP alum Sally Qiu is currently in this grad program. If you would like to connect with Sally please email [envfellows@depauw.edu](mailto:envfellows@depauw.edu) for more information.

Global Environmental Politics

American University's School of International Service

SIS offers both a professional Master's degree in Global Environmental Policy (GEP) and a unique dual-degree program in Natural Resources and Sustainable Development (NRSD).

M.A. in Disaster Studies, Master of Public Affairs (MPA), and M.S. in Ocean, Coastal, and Earth Sciences

#### [The University of Texas Rio Grande Valley](#)

#### [Environmental Studies](#) MBA or [PhD](#)

Antioch University New England

Environmental Studies MS

International Service Program

Masters students in the Environmental Studies Department can combine their graduate studies with Peace Corps Service and earn 9 credits tuition free. For more information about this program contact [jrhoades@antioch.edu](mailto:jrhoades@antioch.edu).

Master of Environmental Science & Management, PhD in Environmental Science & Management, and [PhD in Politics of the Environment](#)

#### [Bren School of Environmental Science & Management](#)

University of California, Santa Barbara

#### [Masters in Global Sustainability and Master in Environmental Management Programs](#)

Western Colorado University

Application fees waived prior to November 1, 2018.

[The Smithsonian-Mason School of Conservation](#)

George Mason University

[Masters of the Environment](#)

University of Colorado Boulder

MENV students have the choice to specialize in Policy and Management, Planning and Community Engagement, or Renewable and Sustainable Energy. All applicants who apply by the priority deadline will automatically be considered for scholarships of up to \$10,000.

[Professional Science Master's in Environmental Management and Sustainability](#)

St. Edward's University, Austin, TX

[Water Sustainability Graduate Program](#)

University of Iowa – UI Department of Civil and Environmental Engineering and IIHR-Hydroscience & Engineering

[School of Freshwater Sciences](#)

UW-Milwaukee

Offers 3 graduate degree programs: [Professional Science Masters degree](#), [thesis track Masters degree](#), and [Doctoral degree](#)

[MA Ed in Urban Environmental Education](#)

Islandwood in partnership with Antioch University – Bainbridge Island, WA

Prepares educational leaders to understand how and why cities work the way they do and to build community capacity to create thriving, sustainable urban environments.

[MS or MA in Sustainable Communities](#)

Binghamton University, New York

[Master's in Education for Environment & Community](#)

Bainbridge Island, WA

Experiential learning at the graduate level: Pursue your master's degree while living on an island in Puget Sound and teaching diverse groups of students about natural systems and communities.

MS in Environmental Science & Policy

[Plymouth State University](#) - Plymouth, NH

Seeking M.S. graduate assistant for an EPA project focused on understanding non-use values of water quality improvements in small streams.

[MSc and DPhil in Sustainable Urban Development](#)

University of Oxford

[PhD Research Degree Opportunities with the Lancaster Environment Centre](#)

Lancaster University

A few current examples:

- The impact of urban noise on bird song and communication
- What are the conservation and livelihood impacts of wildlife farming?

[Master of Public Administration in Environmental Science and Policy](#)

The Earth Institute -Columbia University

This program has a one-year structure.

[MA in Environmental Studies](#)

University of Illinois at Springfield

[MA in Environmental Policy](#)

Pace University

[Erasmus Mundus Masters Course in Environmental Sciences, Policy and Management](#)

The MESPOM Consortium – Central European University (Hungary), Lund University (Sweden), the University of Manchester (UK), the University of the Aegean (Greece), the Monterey Institute for International Studies (USA), and the University of Saskatchewan (Canada)

[PhD in Technology, Policy & Innovation](#)

Department of Technology & Society -Stony Brook University

[MS in Sustainability & PhD in Sustainability Science](#)

United Nations University Institute for the Advanced Study of Sustainability

[MA in Sustainable Living](#)

Maharishi University of Management

[PhD in Environmental Policy, Regulation & Governance](#)

Yale University School of Forestry & Environmental Studies

[Masters in Nature-Culture-Sustainability Studies](#)

Rhode Island School of Design

## **SCHOLARSHIPS & FUNDING**

[Austen Weeks Undergraduate Grant for Geoscience](#)

### [Fulbright Scholarship](#)

The Fulbright US Student Program supports students wanting to teach English, conduct research or pursue graduate study abroad. It is a competitive award and is open to seniors and alumni. Questions about the Fulbright can be directed to [jfuller@depauw.edu](mailto:jfuller@depauw.edu).

### [DePauw Asher Fund in the Social Sciences](#)

### [Summer Internship Grant Program – Hubbard Center](#)

The application process opens in the spring semester.

### [DePauw Pamela \(Lorman\) and Ben Peternell Endowed Environmental Scholarship](#)

The application will be available again to DePauw students in January 2018. Available to rising junior and senior DePauw students studying in an environmental field.

### [Udall Scholarship](#)

The Udall Foundation awards scholarships to college sophomores and juniors for leadership, public service, and commitment to issues related to American Indian nations or to the environment.

### [Charles Holt Scholarship](#)

Indiana Wildlife Federation (IWF) Endowment

The IWF Endowment awards an annual scholarship in the amount of \$1000 to a student studying in a field related to natural resource conservation or environmental education. Applicants must be Indiana residents.

Institute for International Education: [Gilman Scholarship](#) and [IIE Passport](#)

### [National Hydropower Association \(NHA\) Past Presidents' Legacy Scholarship](#)

Students who are currently enrolled as college sophomores or juniors are eligible for the \$2,500 scholarship that goes to a person who demonstrates the academic skills and commitment to help create the next generation of leaders in the hydropower industry.

### The [Indiana Association of Environmental Professionals](#)

INAEP offers scholarships to students who are pursuing a degree in environmental science or a related degree (such as biology). Offered to sophomore undergraduates or above or those pursuing their masters degree. If you would like to be on the INAEP scholarship e-mail distribution list or have any questions, please send an email to [inaepinaep@gmail.com](mailto:inaepinaep@gmail.com). [Apply here.](#)

### [National Science Foundation Robert Noyce Scholarship Program](#)

Indiana University

The program is open to students who have an undergraduate degree in a science area such as Biology, Chemistry, Environmental Science, Geology, Physics and Engineering. Recipients are provided a \$7500.00 stipend per semester and students can finish their program to be recommended for middle/secondary school licensure in as short as three semesters (one calendar year)

#### [Shell Incentive Fund Scholarship](#)

Shell Oil Company is offering its annual scholarship for students who are pursuing undergraduate degrees in a specific technical field of study at certain colleges.

[Click here for information about other scholarships and grants \(compiled by Bard College\).](#)

## **CALL FOR PAPERS/PROPOSALS/ART**

#### [Whole Terrain](#)

Antioch University New England's nationally acclaimed journal of reflective environmental practice.

## **EVENTS**

#### [Greening the Statehouse](#)

Danville, IN

December 2, 2017 @ 9:00am-4:00pm

The largest annual sustainability gathering in Indiana. Greening the Statehouse is an opportunity for Hoosiers across the state to gather for a day of education, advocacy, and more. Contact Office of Sustainability Director, Anthony Baratta [anthonybaratta@depauw.edu](mailto:anthonybaratta@depauw.edu), for more information if you'd like to attend.

#### [National Council for Science and the Environment \(NCSE\) 2018 Conference: The Science, Business, and Education of Sustainable Infrastructure](#)

Washington DC

January 23-25, 2018

## **FYI**

#### [Permaculture Design Certification Course](#)

Offered by Sowing Solutions at Snow Farm, New England's Craft Program in Western Massachusetts.

#### [Environmental Communication Course](#)

International Environmental Communication Association (IECA)

This online course is usually offered twice a year and provides an introduction to key aspects of environmental communication and guidance on good practices. Grad students have received credit for the course.

Graduate/Professional Training

Smithsonian-Mason School of Conservation

Front Royal, VA

Residential training courses that offer continuing education credits or graduate credit for some.

[Click here for more information.](#)

[Free Guidebook to Public Service Careers](#)

Maintained by Fire Science Online.

[Mongabay](#)

Mongabay is a non-profit provider of conservation and environmental science news.
