

FREQUENTLY ASKED QUESTIONS

Why does DePauw need Faculty & Staff support?

Since tuition pays for less than half of what it costs to educate a student, DePauw relies significantly on philanthropy. Alumni, parents, friends, faculty and staff are key sources of support for the University. Donors and other funding entities consider faculty and staff giving percentages as a sign of support from those closest to campus.

How much should I give?

Any amount will support the students and programs at DePauw. Participation is just as important as the dollars given in the Faculty & Staff Campaign and every gift will make a difference.

How does payroll deduction work?

Payroll deduction is one of the most convenient ways to make a gift. When you enroll in payroll deduction, your gift is automatically deducted from your paycheck for the exact amount and timeframe you stipulate. Giving through payroll deduction is the most effective option. It saves DePauw processing fees so more of your donation will come to DePauw when you choose this option.

How can I participate?

You can participate in the Faculty & Staff Campaign in the following ways: cash, check, credit card, payroll deduction or transfer of securities. Please complete the pledge card and clearly indicate your giving designation. You can also make your gift online by visiting depauw.edu/give.

“DePauw is more than a school. There’s a very large heart at the core of this campus and I wanted to support that. Our campus is a second home — not only to our alumni who return again and again but to those of us who work here daily. We are part of something more than we could ever be alone. That sense of community is priceless.

— Angela Thompson, mail center manager

“Campus leadership has made me appreciate failure. The more positions I took on, the greater the lesson became, because not only did I see my mistakes improve my leadership, I saw an improvement in my classes and life overall.

— Diamond McDonald '18
