Grades for fraternities with fewer than ten (10) members are not reported in order to protect the privacy interests of individual members about their GPAs. By reporting a GPA average for the council, we can report average numbers and still protect individual privacy. There is no category for our local sorority (Psi Lambda Xi) for the reason stated above; however, their GPA is factored into the All Sorority Average.

The Fall 2017 GPA for Panhellenic Association (PHA) also includes Mu Sigma Upsilon, which is an associate member of the Panhellenic Association at DePauw, as of Spring 2017.
