Welcome and Opening Remarks

9:30 – 10:20 a.m.

Students: Beginning your academic life at DePauw

This session will cover advising, graduation requirements and a four-year overview of your DePauw academic experience.

Ask questions about first-year seminars, placement tests, off-campus study, and how to submit your course choices.

10:25 – 11:15 a.m.

Students: The DePauw Student Experience

New students will have the opportunity to attend a panel discussion, ask questions and learn strategies for a successful transition. Current DePauw students will share their experiences and provide resources to prepare for August.

11:20 – 12 p.m.

Students: Resource Round Robin

Seek advice from DePauw staff members during the transition to DePauw. This round-robin features break-out rooms based on content areas, such as fraternity and sorority life, off-campus study, office of the registrar, women's center, international student affairs, and center for diversity and inclusion. Ask individual questions about your transition needs.
