

How to make a COVID-19 vaccination appointment

7 step process to create your appointment and complete pre-registration

Step 1: Navigate your web browser to
<https://vaccine.coronavirus.in.gov/en-US/>

Step 2: Select the “People 16 years or older” (available after 8am on 3/31/2021) and enter your birthdate

The screenshot shows the Indiana Department of Health's COVID-19 Vaccine Program page. At the top, there is a yellow banner with a warning icon and the text: "Anyone younger than 18 years old must make an appointment at a site that offers the Pfizer vaccine." Below this, the heading "Indiana COVID-19 Vaccine Program" is followed by the text: "Certain at-risk Indiana residents are now eligible to get the coronavirus vaccine. Select the group you belong to:". There are four radio button options listed: "Healthcare Worker" (with a sub-description), "First Responder" (with a sub-description), "Educators" (with a sub-description), and "People 16 years or older". The "People 16 years or older" option is selected. A fifth option, "None of these apply to me", is also present.

Step 3: Enter the zip code for Greencastle (46135) or an Indiana location near you.

The screenshot shows a form for finding vaccination locations. It starts with the text "Please enter your zip code to search for closest locations" above a text input field containing "46135". Below the input field is the question "Have you already received your first COVID-19 shot?". There are three buttons: a red "No" button, a white "Yes" button, and a blue "Search" button.

Step 4: Scroll down on the list to find a vaccination location near you. Be sure to check what type of vaccine is available at each location

Step 5: Select an available date and choose an appointment time.
