

# INFORMATION TECHNOLOGY ASSOCIATES PROGRAM

First-Year Institute

On-Campus Internships

## THE PROGRAM

The Information Technology Associates Program (ITAP) provides internship-quality opportunities for students to expand their technology and professional skills. ITAP students work in selected on-campus jobs and projects involving technology. The program is open to students of any major, and ITAP interns gain valuable professional communication, technology, and leadership skills that are essential to any career path. These are paid positions, but students do not need to be eligible for work-study financial aid to participate.

## 2020-21 STATS

- ✓ 55 Unique Internships
- ✓ 34 Internship Hosts
- ✓ 28 Hosting Departments

## EXAMPLE INTERNSHIPS

- ▲ BioInformatic Software Developer
