To The Class of 1998,

With great pleasure I invite you back to DePauw University to celebrate your 25th reunion on June 9-11, 2023. Throughout the weekend, you will have opportunities to connect with alumni far and wide, culminating with a final celebration with your classmates from 1998.

You may recall from your senior year that DePauw won the Old Gold football game – Coach Nick Mourouzis’ 100th victory – and we held on to the Monon Bell in a game marked by blizzard-like conditions. The campus glowed with luminaria after the Service of Lessons and Carols. Winter Term provided an open door of opportunities. Little 5 and Cyc-Sing brought fun to the spring semester.

Many of the wonderful traditions, rigorous learning experiences, and good vibes you remember from DePauw remain, even as the University adapts to meet the changing needs of today’s students. Your 25th reunion beckons you to DePauw for a few magical days of renewed friendships and of immersion in the life of the University.

I look forward to welcoming you and your class back to campus. Please make plans to join us. DePauw eagerly awaits your return.

Sincerely yours,

Dr. Lori S. White  
President
