

MAKING INTERNATIONAL PAYMENTS – Convera

Convera was chosen by DePauw University to give you a simple, reliable way to pay. This allows you to pay in your home currency, either online or by bank transfer, with competitive exchange rates and takes the stress and uncertainty out of paying for your tuition. Access Transact Payments and select “International payment” as your payment method.

Step 1: Select “International payment” as your payment method on Transact Payments.

The screenshot shows a mobile app interface titled "Make a Payment". A yellow arrow points to the "International payment" option.

Select “International payment” and then select “Convera” to be redirected to Convera’s website.
