The Multicultural Greek Council (MGC) is the governing council for multicultural fraternities and sororities at DePauw. Each organization has a unique recruitment/intake and new member orientation/education process. There are currently two historically Latina/Multicultural sororities and one Latino/Multicultural fraternity that comprise the Multicultural Greek Council on DePauw's campus.

If you are interested in any of these organizations, please feel free to visit chapter philanthropic events in order to meet members from MGC. Additional questions about the MGC recruitment/intake and new member orientation/education process can be directed to the president of the respective organization, the president of the council or by contacting the Campus Living and Community Development office by e-mailing glc@depauw.edu.

Intake Process

MGC organizations recruit independently and on their own timelines. Depending on the individual needs of the chapter, intake can occur in either the fall or spring semester. Membership in any MGC sorority or fraternity, is by invitation only.
How do I join?

The Multicultural Greek Council (MGC) does not sponsor a formal recruitment process for organizations affiliated with the council. However, several events like “Step, Stroll, and Salute” are hosted in the fall for students to learn more about the organizations. Students are encouraged to attend interest meetings, attend organization events, and talking to members on campus to foster understanding. To seek membership, students should make connections with current chapter members and express interest utilizing those connections.

Can I attend events?

NPHC, MGC, Associate Members and Local Organizations do not have a First-Year Greek Property policy, therefore, student may attend open events for the DePauw community. First-Year Students can attend both NPHC and MGC events that are sponsored by DePauw recognized organizations.
