SPEAKER / PERFORMER RELEASE - PERMISSION TO RECORD

This form is provided to you as a speaker in a course, seminar, lecture, or other presentation at DePauw University. DePauw would like to capture your presentation in audio, photo and/or video format. To that end, we want to make certain that both you and the University have the necessary rights and protections to continue to benefit from your presentation.

DePauw University will hold the copyright to the Recording and would like to have the option to continue to use the captured presentation ("Recording"). Possible uses of the Recording may include, but are not limited to, creating an archive copy for University archival and educational purposes, inclusion in DePauw websites, the creation of CDs or DVDs, and delivery to the public via distribution partners and/or social media, as identified in this release.

This Speaker Release does not require you to give your ideas to DePauw. If you plan to give the same talk somewhere else, this release will not prevent you from doing so. And, unless there is an exception noted to you by your DePauw host, DePauw will provide you a copy of the Recording if you wish and this signed form gives you a non-exclusive license to use the Recording in any way you would like.
