The National Pan-Hellenic Council (NPHC) of DePauw University was established in April 2000, in recognition of the need for coordination and cooperation in activities of Black intercollegiate Greek letter fraternities and sororities. The motto since NPHC’s founding in 1930 is “unanimity of thought and action as far as possible in the conduct of Greek-Letter collegiate fraternities and sororities, and to consider problems of mutual interest to its member organizations.”

If you are interested in any of these organizations, please feel free to visit chapter philanthropic events in order to meet members from NPHC. Additional questions about the NPHC recruitment/intake and new member orientation process can be directed to the president of the respective organizations, the president of the council or by contacting the Campus Living and Community Development office by e-mailing glc@depauw.edu

**Intake Process**

NPHC organizations recruit independently and on their own timelines. Depending on the individual needs of the chapter, intake can occur in either the fall or spring semester. Membership in any NPHC sorority or fraternity, is by invitation only.
How do I join?

The National Pan-Hellenic Council (NPHC) does not sponsor a formal recruitment process for the Historically Black Greek Lettered Organizations. However, they do host “Meet The Greeks” each fall so students can learn more about each organization, including information about membership. Each fraternity and sorority reaches out to interested individuals independently; students can learn more by attending interest meetings, organization’s programs, and talking with current members. To seek membership, students should make connections with current chapter members and express interest utilizing those connections.

Can I attend events?

NPHC, MGC, Associate Members and Local Organizations do not have a First-Year Greek Property policy, therefore, student may attend open events for the DePauw community. First-Year Students can attend both NPHC and MGC events that are sponsored by DePauw recognized organizations.
