
DEPAUW UNIVERSITY

PARENT AND FAMILY GUIDE

Dear DePauw Parent or Guardian:

Welcome to DePauw University. Your student has joined an exceptional group of peers who will make up DePauw's Class of 2025. We are delighted to have your student as a member of our community and are eager to begin working with them.

While DePauw's relationship during the admission process was with both you and your student, that will change now as your student becomes our primary focus. We know that you will continue to be an important advisor and that you need information to accomplish that. Therefore, we have created this guide so you will know what we expect from your student over the summer.

The information we share and the exercises we expect your student to complete during the summer will prepare them for academic coursework and campus living. Your student will receive the same information in their portal in e-Services, electronic newsletters, and on the First-Year Experience webpage.

We are eager to connect with students, so if your student has questions during the summer, encourage them to contact us. Academic-related questions should be directed to the Office of the Registrar at 765-658-4141. Other questions should be directed to Student Academic Life at 765-658-4270.

We hope you enjoy this summer with your student and look forward to greeting you when you bring your student to campus in August.

Sincerely,
DePauw University and First-Year Experience Program

GETTING READY

We want your student to be fully prepared for success at DePauw. The following items should be completed before arriving on campus in August.

STUDENT PORTAL ON E-SERVICES

Each incoming student has access to a personal portal in e-Services (my.depauw.edu), DePauw's student information system. Your students' DePauw accounts will be ready to activate if they have deposited your student will receive an email message with instructions outlining how to access their portal username and password. During the summer, the portal will provide information to help your student begin their DePauw career.

SUMMER ONLINE ORIENTATION

The forms and online submissions referenced below are available on your student's portal in e-Services and on the First-Year Experience webpage, depauw.edu/fye.

Students will receive instructions in their personal email account asking them to activate their DePauw student accounts, including their email and portal in e-Services. Questions may be directed to the Information Technology HelpDesk at 765-658-4294.

Students are required to complete all tasks below as part of their summer online orientation.

CHECKLIST: **MAY**

☐ **Submit course requests and academic interests:**
MAY 17 – JUNE 23
Students must submit eight choices for first-year seminars and 10-15 regular courses. Questions may be directed to the Office of the Registrar at 765-658-4141 or registrarsoffice@depauw.edu.

☐ **Take the language placement exam:**
MAY 17 – JUNE 23
Consult the Language Requirement and Placement page to complete the Language Placement Exam and find information about exemptions. Questions may be directed to Academic Affairs at 765-658-4359.

☐ **Provide proof of immunization through Med+Proctor and provide proof of personal health insurance through UHC/EIIA:**
MAY 17 – AUG. 1
Questions may be directed to Stevie Baker-Watson, associate vice president for campus wellness and the Theodore Katula director of athletics and recreational sports, at 765-658-6075 or steviebaker-watson@depauw.edu.

☐ **Complete the online housing application: BY MAY 28**
Students must complete an application to help determine housing placement and roommate(s). Questions may be directed to Housing and Residence Life at 765-658-4500 or housing@depauw.edu.

CHECKLIST: **JUNE**

☐ **Register for Gold Visit Summer Days: BY JUNE 8**
Register for an in-person or virtual summer visit day in June to connect with various offices and staff members that can help assist students during their transition.

☐ **Grant parents or guardians (third parties) access to CASHNet for billing and payments: JUNE 7 – 30**
Billing information is available through the online system CASHNet. Students must grant parents third-party access to this system for parents to receive payment notifications. Questions may be directed to the Cash Receipts Office at 765-658-4015. Students also may grant parents third-party access to academic information through Third-Party Access in their portal in e-Services.

☐ **Complete introductory name-pronunciation recording:**
JUNE 7 – 30
Knowing how to pronounce your student's name is important to us. We ask your student to record their name so professors and others will pronounce it correctly. Details will be shared on June 7.

CHECKLIST: **JULY**

☐ **Complete the writing assessment: JULY 1 – 31**
Instructions will be available in your student's portal in e-Services later this summer. Questions may be directed to the Office of Student Academic Life at 765-658-4270.

☐ **Complete Diversity and Inclusion Modules for undergraduates through EverFi: JULY 5 – 19**
Login information and instructions will be available in your student's DePauw email account this summer. Questions may be directed to the Office of Student Academic Life at 765-658-4270.

☐ **Complete steps to have student ID made: BY JULY 31**
Questions may be directed to the Information Services HelpDesk at 765-658-4294.

☐ **Request final high school transcript be sent to the Office of Admission: BY JULY 31**
Questions may be directed to the Office of Admission at 765-658-4006.

CHECKLIST: **AUGUST**

☐ **Complete AlcoholEdu and sexual assault prevention for undergraduates through EverFi: AUG. 2 – 16**
Login information and instructions will be available in your student's DePauw email account this summer. Questions may be directed to the Office of Student Academic Life at 765-658-4270.

☐ **Log in to Handshake at depauw.handshake.com: AUG. 2 – 16**
Students should log in to Handshake to share their career interests using their portal username and password. Questions may be directed to hubbard@depauw.edu.

☐ **Log in to Campus Labs: AUG. 2 – 16**
Students should create an account on Campus Labs using their portal username and password. Questions may be directed to Samantha Sarich, operations and data coordinator for the Gold Commitment Program, at samanthasarich@depauw.edu.

☐ **Purchase a laptop: BY AUG. 20**
Questions may be directed to Drew Parrish in Information Services at 765-658-4296 or drewparrish@depauw.edu.

ACADEMIC LIFE

Studying at DePauw is an opportunity to examine subjects students are passionate about and explore new paths and possibilities they have never considered.

FIRST-YEAR SEMINAR

DePauw's first-year seminar is a small, discussion-based class with an emphasis on college-level writing. Small class sizes foster vibrant discussion, careful reading and analysis of texts and critical thinking about complex ideas.

All first-year students take a first-year seminar. Students in the Honor Scholar Program will be assigned to a seminar and will not need to request one.

COURSE AND SEMINAR REQUESTS

The curriculum in the College of Liberal Arts is relatively flexible as students get started at DePauw, although students with specific interests in the sciences should start taking courses in these areas sooner rather than later. First-year students generally take four full-credit courses, which include a first-year seminar in the first semester.

Descriptions of the seminars and courses for first-year students will be published on the First-Year Experience website at depauw.edu/fye. During summer registration, May 17 – June 23, students will submit a list of eight first-year seminars and 10-15 regular courses they are interested in taking. To ensure students begin exploring the breadth of their liberal arts education, they should include choices from a variety of fields, including those not available in high school. If students have questions about this process, they may contact the Office of the Registrar at 765-658-4141.

The course request and scheduling processes are different for students in the School of Music because the curriculum is highly structured. Incoming music students are enrolled in lessons for their primary instrument, the introductory 21CM course, and a first-semester course in theory and musicianship. Students considering a music education degree are also enrolled in other required courses. Vocalists are placed in a diction course. Music students must submit a list of 8 first-year seminars and 10-15 courses to fill their schedule outside the School of Music. A School of Music representative will contact students during the summer with course information and guidelines for fall ensemble auditions. Students may direct questions to Caroline Jetton, associate dean of the School of Music, at cjetton@depauw.edu or 765-658-4503.

ACADEMIC INTERESTS

Students must complete an academic interests form. Students vary considerably in their academic interests. Some know what they want to major in, others want to

explore. By sharing their academic interests and plans, we have better information as we create their fall term schedule.

LANGUAGE REQUIREMENT AND PLACEMENT

Students in the College of Liberal Arts must complete two semesters of a language other than English, beginning at an appropriate level according to a placement exam and in consultation with the coordinator of the language program. Both semesters should be in the same language. Students are encouraged to take language placement exams online over the summer. More information regarding DePauw's Language requirements can be found at www.depauw.edu/studentacademiclife/firstyear/academic-life/language-placement/.

Students whose first language is not English may be certified as meeting the language requirement through the Office of the Registrar, and in consultation with the director of English for Academic Purposes. This certification takes place after a student arrives on campus.

One semester of language study in an off-campus program may count toward the completion of the language requirement with the approval of the relevant language coordinator.

The language requirement does not apply to the School of Music students pursuing four-year degrees.

CAMPUS LIVING

Living with others as a member of a community is a vital aspect of your student's DePauw education that fosters integration of learning experiences inside and outside of the classroom.

HOUSING OPTIONS

All first-year students live in residence halls with students from diverse backgrounds. Students become accustomed to a new community, exploring their personal interests, adapting to teaching methods at the collegiate level and learning from each other in ways many have not experienced before. Through their first-year experience students learn to navigate the transition to college and grow into an independent adult.

DePauw offers multiple housing environments for first-year students and each community has unique characteristics. Each residence hall community provides programmatic and community development opportunities in addition to peer support and mentoring. Most rooms are double-occupancy rooms, but room size can range from single-occupancy to four-person rooms.

INTENTIONAL COMMUNITIES

Healthy Living Community

Many students are interested in living in communities that intentionally support healthy life choices. Students who choose

to live in these environments, called Healthy Living Communities, commit to a lifestyle that refrains from the use of alcohol, tobacco and other drugs within their residential environment. In choosing these communities, students opt to live in an environment that is free from the secondary effects of these substances and feel supported in their choice to refrain from using. Additionally, these communities offer specific resources, programs and events that support healthy life choices, provide quiet environments conducive to studying, create intentional opportunities for social and interpersonal connections and give students the responsibility to set the standards of the community and empower them to uphold those standards.

Rainbow Community

The Rainbow Community will be offered if there is sufficient student interest. All students are welcome to live in the Rainbow Community with an understanding that the space serves as an affirming home for all expressions of gender and sexuality. This intentional community serves as a space to enable lesbian, gay, bisexual, transgender, queer and questioning students and their advocates to connect and live in a respectful space. Additionally, restrooms in these communities will be gender inclusive. All residents and their guests will be expected to be respectful and sensitive to all identities in the LGBTQIA+ community. In collaboration with the Center for Diversity and Inclusion, the Rainbow Community will offer specific resources, events and create intentional opportunities for social and interpersonal connections. Students will have the responsibility to set the expectations of the community.

SUBMITTING HOUSING PREFERENCES

DePauw's online housing system, Residence, gathers information about students' residential preferences such as floor and room type. Students are asked questions regarding community and are asked to rank their preferences online. Additionally, they will complete a roommate-matching profile in which they share information about themselves and what they look for in a roommate. The roommate-matching profile also enables students to find roommates with similar interests and living preferences.

Students will receive instructions on how to use Residence. Students will access Residence through their DePauw student e-mail and student portal in e-Services.

HOUSING ASSIGNMENTS

Housing assignments will be available over the summer. Housing assignments will be released to students through their DePauw email address. At that time, students will be able to access Residence, which will contain the name and email address of their roommate(s) and more information about their room and residence hall community. Encourage your student to keep their username and password safe because they will need them to log into Residence.

QUESTIONS?

Students who have questions about housing options should contact the Housing & Residence Life Office at 765-658-4500 or housing@depauw.edu. Answers to frequently asked questions and other information can be found at depauw.edu/studentacademiclife/campusliving/helpfulresources.

REQUESTING HOUSING OR DIETARY ACCOMMODATIONS

Living in a residence hall and dining with other community members are integral to the DePauw experience. Therefore, all requests for housing and dietary accommodations are evaluated carefully. Accommodations for both housing and dietary needs are determined on a case-by-case basis and only when appropriate medical documentation is provided. These may include medical conditions, impairments or other conditions that substantially limit a major life activity. Students who need housing accommodations are strongly encouraged to contact Student Accessibility Services prior to the housing application deadline. Housing and Residence Life will do its best to meet housing accommodation requests submitted after the application deadline but cannot guarantee that the accommodation or other residential requests such as room type, roommate requests, building location, etc. will be met. Approved ADA housing requests will be sent from Student Accessibility Services to Housing and Residence Life.

Student Accessibility Services may be contacted by phone at 765-658-6267 or by email at studentaccessibility@depauw.edu. Students may also initiate the accommodations process at depauw.edu/academics/academic-resources/students-with-disabilities/.

DINING OPTIONS

Students living in university-owned housing are required to be on a meal plan. First-year students may choose between two plans for the fall and spring terms and a separate plan for winter term:

- **Residence hall meal plan** (default meal plan)
  This plan provides 18 swipes a week, $200 in DPU Flex dollars, $50 in Community Plus dollars and $50 for unlimited access to the laundry machines per semester.
- **Residence hall flex meal plan**
  This plan provides 14 swipes a week, $400 in DPU Flex dollars, $50 in Community Plus dollars and $50 for unlimited access to the laundry machines per semester.
- **Winter term meal plan**
  Students living in the residence halls are required to participate in the Winter Term Meal Plan. The meal plan provides 18 swipes per week and $40 in DPU Flex dollars.

STUDENT RESOURCES AND POLICIES

From computer accounts to health records and laptops, here's everything you and your student needs to know before move-in day.

UNIVERSITY EMAIL AND COMPUTER ACCOUNTS: OVERVIEW

Students will receive an email message with instructions about how to obtain their DePauw usernames and passwords. Students will have two separate computer accounts:

1. G Suite for Education (mail.depauw.edu): Their email account at DePauw.
2. DePauw account: Used to log in to their portal in e-Services (my.depauw.edu), Moodle (moodle.depauw.edu), Residence, printers, campus labs and other DePauw online resources.

IT policies can be found at depauw.edu/it/policies.

If students do not receive the informational email message, please invite them to contact the DePauw IT HelpDesk at 765-658-4294, or email helpdesk@depauw.edu.

THIRD-PARTY ACCESS

Third-Party Access is a secure system that allows students to share billing statements and payment through CashNet and selected academic records with third parties (parents, employers, etc.). To do this, students create third-party accounts and share the login information with the third party they choose. Academic records are covered by the Family Educational Rights and Privacy Act, which means that they may be released only with the student's authorization. In creating a Third-Party Access account and distributing the login information to a third party, the student is providing that authorization.

Students can set up third-party access for billing statements and payments through CashNet, which they can access in their portal in e-Services beginning June 5. Students can set up third-party access for academic information through Third-Party Access in their portal in e-Services.

STUDENT IMMUNIZATION POLICY

DePauw requires that all students submit a completed Immunization Record through Med+Proctor (medproctor.com) by Aug. 1 of their incoming year. Students who fail to submit the Immunization Record will not be permitted to register for classes the following term.

Please review the information on www.depauwhealth.org/healthrecord after May 1 as there may be additional immunization requirements. Currently, the required and recommended immunizations are specified at www.depauwhealth.org, under the Students tab. Required immunizations include varicella (2 doses), meningococcal (after the age of 16), hepatitis B, TDaP booster (within the last 10 years), and MMR (measles, mumps and rubella). International students will also require a tuberculosis screening in the

United States. See www.depauwhealth.org for more information.

Proof of immunization can ONLY be provided by completing the process, including the specific Med+Proctor form, at www.medproctor.com. No other documentation will be accepted to meet this requirement.

For more information about the Immunization Policy, students should visit their portal in e-services. Additional information can be found at www.depauwhealth.org under the Student tab. If students have any questions, please have them contact Stevie Baker-Watson at 765-658-6075 or the DePauw Health Wellness Center at 765-658-4555.

PROVIDING PROOF OF INSURANCE

Annually, students are required to provide proof of personal health insurance at www.eiiastudent.org/institution/depauw-university or be automatically enrolled in an insurance policy provided by DePauw. All students will be billed for the University insurance on their July 2021 bill; if students complete the insurance waiver/provide proof of personal insurance by the deadline (September 3), their student account will be credited no later than September 10. More information can be found at depauwhealth.org. International students may not waive insurance provided by DePauw and students participating in intercollegiate athletics may have additional requirements. If students have any questions, please have them contact Stevie Baker-Watson at 765-658-6075.

PARTICIPATION IN VARSITY INTERCOLLEGIATE ATHLETICS

If a student plans to participate in varsity intercollegiate athletics, additional health information must be provided to the Sports Medicine staff prior to any official team practice; this information is sent to students by their head coach. For more information about NCAA and DePauw requirements for participation, visit depauwtigers.com, click on the Inside Athletics tab, then Sports Medicine.

STUDENT DISABILITY SERVICES AND ACADEMIC ACCOMMODATIONS

DePauw is committed to providing equal access and reasonable accommodations to university programs for students with a variety of learning, physical (health and/or mobility) and emotional challenges. Student Accessibility Services coordinates policies and procedures, provides services and promotes accessibility for all qualified students. We strive to provide reasonable accommodations for students who have been diagnosed with long-term disabilities, chronic health conditions, temporary impairments and episodic conditions. The list of possible conditions that could require accommodations is non-exhaustive, and eligibility is determined on a case-by-case basis. If students believe they will require academic accommodations, they can learn more about the process at depauw.edu/academics/academic-resources/students-with-disabilities or by calling the Student Accessibility Services Office at 765-658-6267. It is most helpful to the student's college transition if all documentation is received prior to the start of the fall semester.

STUDENT LAPTOPS AT DEPAUW

Technology plays a significant role in many aspects of student life at DePauw. As such, DePauw expects all students to have a laptop computer to use in their coursework and cocurricular activities.

Students find that having a personal laptop is invaluable for accessing online course materials, performing research, taking notes, completing coursework and communicating with friends and family. In addition, because faculty members assume that each student owns a laptop, some instructors incorporate using a laptop into course assignments and sometimes require students to bring a laptop to class.

What kind of laptop should students have?

Either an Apple or Windows laptop will work fine at DePauw. No matter which platform students choose, your student will want a computer that is less than one or two years old so that it can run the latest software. We strongly recommend purchasing an extended manufacturer's warranty and an extended accidental damage protection plan to ensure the reliability of the computer through your student's DePauw career. Accidental damage protection covers drops, spills and other accidents that most standard warranties do not cover.

We recommend that all students have a copy of Microsoft Office and antivirus/antispyware software on their laptop. There is no need to buy these because DePauw provides both free of charge. See depauw.edu/it/laptop for details.

To speak with a member of the Information Technology staff about laptops at DePauw, contact Drew Parrish at 765-658-4296 or drewparrish@depauw.edu.

Software

We recommend that all students have a copy of Microsoft Office and antivirus/antispyware software on their laptop. There is no need to buy these because DePauw provides both free of charge. See depauw.edu/it/laptop for details.

To speak with a member of the Information Technology staff about laptops at DePauw, contact Drew Parrish at 765-658-4296 or drewparrish@depauw.edu.

STUDENT HANDBOOK

As responsible members of the community, DePauw students are expected to maintain the University's highest ideals of academic and social conduct and are responsible for knowing the published regulations and standards of the University. These guidelines express expectations of student behavior, convey a respect for group living and provide for protection of individual rights.

At the start of each academic year, the student body will be informed via email of all updated sections to the University standards and regulations. The Student Handbook can be found online at depauw.edu/handbooks/student/.

TUITION, FEES AND STUDENT BILLING

Students have several options for managing their student accounts, and the Cash Receipts Office is available to assist students and their families with questions about tuition, fees, housing, meal plans and other tuition-related charges.

THE BILLING PROCESS

The Cash Receipts Office at DePauw is responsible for issuing monthly account statements for tuition, fees, housing, meal plans, other tuition-related charges and charges for some Greek houses. All invoices will be available online via CASHNet (see CASHNet information below). An email notification is sent to students (and their authorized third parties) each month if an invoice is available to view. Please note that parents and third parties will NOT receive billing and payment notifications unless granted access by their student.

DePauw students with an outstanding balance will receive a monthly bill. The invoice shows all charges and financial aid credits at the time the invoice was created. If students have been awarded financial aid and their statement does not reflect a credit you anticipated, please contact the Financial Aid Office at 765-658-4030 to determine if and when the credit will appear. Students must sign up for a payment plan or make payment in full by the beginning of each semester in order to avoid late payment penalties.

CASHNet

DePauw has contracted with CASHNet to provide student account e-commerce services. This includes electronic issuance of student account statements; the ability to make payments by credit or debit card, electronic check (ACH withdrawal from a savings or checking account), linking a participating 529 account, and International Funds Transfer processed through Western Union; and the ability to participate in an installment payment plan and to view recent account activity.

Please note that a 2.9 percent service charge is added to all credit and debit card payments and a $10 service charge to 529 payments. There is not a service charge for electronic check payments.

Students are able to log in to CASHNet directly from their portal in e-Services by clicking on the Billing and Payments (CASHNet) link under the Financial tab.

CASHNet allows students to grant parents or other authorized users access to make payments, view payment history, and account balances. To grant access, students simply select "Send a payer invitation" from the "My Account" page of CASHNet and complete the required information (including appropriate access); an email will be sent automatically to the new payer with their username and password. If payers need help resetting their password, they can use the "Forgot password" link on their login page.

Once a student invites a payer to their account, the payer can access CASHNet directly by going to www.depauw.edu/thirdpartypay. CASHNet third party is only for student accounts receivable.

PAYMENT OPTIONS

You and your student may choose from three payment options:

- **Option 1: Payment in full prior to the start of the semester**
  By Aug. 1 for semester I
  By Feb. 1 for semester II
- **Option 2: Semester payment plan**
  The DePauw payment plan, referred to as My Payment Plan, is set up online through CASHNet. My Payment Plan allows students or third parties to pay for semester charges over four months for the first semester and four months for the second semester. Semester I payments are due on the first of each month, August through November. Semester II payments are due on the first of each month, February through May.
- **Option 3: Prepaid tuition plan**
  This plan offers parents the opportunity to prepay tuition for two, three or four years at the current rate of annual tuition set for the first year of participation in the plan. This protects families from probable future tuition increases. Specific details of this plan may be obtained by contacting the Cash Receipts Office.

Please note that late fees ranging from $25 to $100 per month and registration holds may be assessed for a delinquent student account. A delinquent student account is defined as one exceeding $25 and more than 30 days past the statement issue date.

Payment by mail

Payments by check may be sent to: DePauw University, Cash Receipts Office, P.O. Box 37, Greencastle, IN 46135-0037.

Only payments by cash or check may be made in person at the Cash Receipts Office in the lower level of the Studebaker Administration Building.

TUITION AND FEES PER SEMESTER (2021-22)

Tuition	$26,450
Housing	$3,710
Meal plan	$3,339
Housing programs fee	$40
Comprehensive fee	$458
Total semester charges	$33,997

Cash Receipts Office: 765-658-4015, cashreceipts@depauw.edu, www.depauw.edu/cashreceipts

NEW STUDENT ORIENTATION

We invite you to anticipate some key events when you move your student in. A final schedule will be provided this summer prior to your arrival for the New Student Orientation. **Please share with your student that all parts of orientation are required.** Look for a complete schedule of orientation events on the First-Year Experience webpage, **www.depauw.edu/fye**, during the summer.

ACADEMIC CALENDAR

We've compiled important dates on the DePauw calendar for the 2021-22 academic year.
Current academic calendar: depauw.edu/academics/academic-resources/advising/registrar/academic-calendar/.
Up-to-date campus events: depauw.campuslabs.com/engage/events/.

FALL TERM

Aug.	21	Opening Day for new students
	25	Classes begin
	25- Sept. 1	Adjustment period
Sept.	6	Labor Day - University Closed
	TBD	Family Weekend
Oct.	TBD	Old Gold Weekend
Oct.	11	Midterm progress reports available to students
	16-24	Fall Break (no class)
	29	Last day to withdraw from a course with a grade of W
Nov.	24-28	Thanksgiving recess
Dec.	10	Last day of classes
	11-12	Study days
	13-17	Final examinations
	17 (5 p.m.)	Holiday recess begins
	22	Final grades due for all students

WINTER TERM

Jan.	5-26	On-campus Winter Term
	5 (4:30 p.m.)	Add/drop deadline for on-campus Winter Term
	14	Last day to withdraw from a course with a grade of W
Feb.	17	Martin Luther King, Jr. Day - University closed

SPRING TERM

Jan.	31	Spring classes begin
	31- Feb. 7	Adjustment period
March	14	Midterm progress reports available to students
	25	Last day to withdraw from a course with a grade of W
	26- April 3	Spring Break (no class)
May	12	Last day of classes
	13, 15	Study days
	14, 16-29	Final examinations
	22	Commencement

MAY TERM

May.	24	Residence halls open for students returning for May Term and summer projects
	25	May Term begins
June	15	May Term ends
	24	May Term grades due

DEPAUW

SUMMER CHECKLIST

MAY

☐ **May 17 – June 23**
Complete course requests and academic interests.

☐ **May 17 – June 23**
Take the language placement exam

☐ **May 17 – Aug. 1**
Provide proof of immunization through Med+Proctor and provide proof of personal health insurance through EIIA.

☐ **By May 28**
Complete the online housing application.

JUNE

☐ **By June 8**
Register for Gold Visit Summer Days.

☐ **June 7 – 30**
Grant parents or guardians (third parties) access to CASHNet for billing and payments.

☐ **June 7 – 30**
Complete introductory name-pronunciation recording.

JULY

☐ **July 1 – 31**
Complete the writing assessment.

☐ **July 5 – 19**
Complete Diversity and Inclusion modules for undergraduates through EverFi.

☐ **By July 31**
Complete steps to have student ID made.

☐ **By July 31**
Request final high school transcript be sent to the Office of Admission.

AUGUST

☐ **Aug. 2 – 16**
Complete AlcoholEdu and sexual assault prevention for undergraduates through EverFi.

☐ **Aug. 2 – 16**
Log in to Handshake at depauw.handshake.com.

☐ **Aug. 2 – 16**
Log in to Campus Labs.

☐ **By Aug. 20**
Purchase a laptop.
