

Dear Class of 1969,

It seems like yesterday that many of us gathered to celebrate our 50th reunion and celebrate the wonderful memories of our time at DePauw.

How about the Winter concert our Sophomore year by the Portland based group The Kingsmen, best known for their hit Louie, Louie – with tickets \$2.00 in advance, and a whopping \$2.50 at the door? Bring back great memories?

Believe it or not, it's time to "Reach Out...Again" and celebrate our 55th reunion.

Please save the dates June 7-9, 2024 on your calendar and start making plans to once again share the good times with your classmates in Greencastle.

Our committee – consisting of Jim Tomsic, Dave Bohmer, Anita Deckard, Bob Schmidt & Tom O'Neil - has already begun planning the weekend, and look forward to joining you for this memorable occasion. As our plans evolve, we will certainly follow up with the details.

Let us know if you want to join us as a living unit representative or committee member. We really need your help in spreading the word!

In the meantime, start making those plans to join us on campus. A successful reunion is marked by one key element - the number of people attending - and the more fun it will be.

We look forward to seeing you next June!
