

Dear DePauw Class of 2019,

It is hard to believe it has almost been 5 years since we graduated from DePauw! As members of the class of 2019, we want to invite you back to campus to celebrate our 5th reunion on June 7 – 9, 2024. We are excited for a weekend of reminiscing, catching up, celebrating DePauw, and making new memories with old friends. More details on the weekend will be forthcoming. In the meantime, don't forget to visit the [reunion weekend webpage](#) and our [Class of 2019](#) webpage for updates!

Here is what you should do to make sure you don't miss out:

- Block out June 7 - 9, 2024 on your calendar and start making plans to head to Greencastle.
- Reach out to our friends to join in the fun, join us on our [Class of 2019 facebook page](#), and visit our [Class of 2019 reunion page](#) for updates.
- Let us know if you are interested in being a reunion rep for your living unit.
- Make sure DePauw has your current contact information by [updating your profile](#).
- Get involved with DePauw! There are a number of exciting [volunteer opportunities](#) at the University. If you are unable to travel to campus for reunion weekend, check out the many volunteer opportunities to help current DePauw students.

Keep your eyes peeled for emails and social media updates with more details. There have been a lot of changes at DePauw in the 5 short years since our graduation – a new residence hall, a renovated library and a new, three school model. We have been assured Marvin's still delivers and are excited to learn about these changes while reconnecting with everyone. We hope to see you in June!
