

Greetings Class of 1978!

The countdown to our 45th DePauw reunion has begun, and we hope YOU are planning to join us in Greencastle June 9-11, 2023! In the coming months you can expect communications from us as your steering committee, personal outreach from volunteer living-unit and affinity-group representatives, and regular updates from the University as plans come together for the full weekend.

In the meantime, if you're not sure about making the trip, consider these reasons

- We are all five years younger than we will be for our 50th.
- Even if you're still in touch with your Class of '78 best friends, you can't meet them at Marvin's or Moore's on Facebook.
- If you haven't been back in awhile you will be amazed at the changes on campus and in Greencastle, which is now known as an Indiana 'foodie' destination! (Not necessarily because of Marvin's...)
- Wouldn't it be fun to see a whole bunch of these people again? Click [here](#) for a link to the digitized 1978 Mirage, see pages 184-201 for our senior photos.

Stay tuned, and we invite you to contact any of us if you'd like to help or have ideas for making it a great celebration. Please do save the date and plan to be there!
