## Section I.c Enrollment

Provide the number of students in the teacher preparation program in the following categories. Note that you must report on the number of students by ethnicity and race separately. Individuals who are non-Hispanic/Latino will be reported in one of the race categories. Also note that individuals can belong to one or more racial groups, so the sum of the members of each racial category may not necessarily add up to the total number of students enrolled.

For the purpose of Title II reporting, an enrolled student is defined as a student who has been admitted to a teacher preparation program, but who has not completed the program during the academic year being reported. An individual who completed the program during the academic year being reported is counted as a program completer and *not* an enrolled student.

[Additional guidance on reporting race and ethnicity data.](#)

## Section V Use of Technology

Provide the following information about the use of technology in your teacher preparation program. Please note that choosing 'yes' indicates that your teacher preparation program would be able to provide evidence upon request.

Does your program prepare teachers to:

- integrate technology effectively into curricula and instruction  
Yes
- use technology effectively to collect data to improve teaching and learning  
Yes
- use technology effectively to manage data to improve teaching and learning  
Yes
- use technology effectively to analyze data to improve teaching and learning  
Yes

Provide a description of the evidence that your program uses to show that it prepares teachers to integrate technology effectively into curricula and instruction, and to use technology effectively to collect, manage, and analyze data in order to improve teaching and learning for the purpose of increasing student academic achievement. Include a description of the evidence your program uses to show that it prepares teachers to use the principles of universal design for learning, as applicable. Include planning activities and a timeline if any of the four elements listed above are not currently in place.

DePauw University has several services in place to assist students in our unit's program with skill acquisition in technology. In addition, many assignments in the program require students to demonstrate proficiency with various technologies. Also, several of our school sites allow students to work with technologies such as SmartBoards and K-12 student laptops. Students are required to utilize the Moodle program. Moodle is a Course Management System (CMS), also known as a Learning Management System (LMS) or a Virtual Learning Environment (VLE). Students are required by the university to possess a laptop upon admissions to DPU. Student teaching and field experience classrooms are often equipped with smartboards and advanced projection technology.

We offer multiple courses designed to meet the requirements listed above:

MUS 115 Technology and Music Education

MUS 354 Elementary and Secondary Instrumental Methods

MUS 170 Foundations of Music Education

MUS 351 Elementary General Music

## Section VI Teacher Training

Provide the following information about your teacher preparation program. Please note that choosing 'yes' indicates that your teacher preparation program would be able to provide evidence upon request.

Does your program prepare general education teachers to:

- teach students with disabilities effectively  
Yes
- participate as a member of individualized education program teams  
Yes
- teach students who are limited English proficient effectively  
Yes

Provide a description of the evidence your program uses to show that it prepares general education teachers to teach students with disabilities effectively, including training related to participation as a member of individualized education program teams, as defined in section 614(d)(1)(B) of the *Individuals with Disabilities Education Act*, and to effectively teach students who are limited English proficient. Include planning activities and a timeline if any of the three elements listed above are not currently in place.

Offer multiple courses designed to meet the requirements listed above: MUS 263 Music for Students with Diverse Needs, MUS 351 Elementary General Music, Urban and rural experiences, Winter Term internships, MUS 375 Field Experience, MUS 451 Student Teaching in Music & MUS 452 Senior Seminar for Music Educators.

Does your program prepare special education teachers to:

- teach students with disabilities effectively  
NA
- participate as a member of individualized education program teams  
NA
- teach students who are limited English proficient effectively  
NA

Provide a description of the evidence your program uses to show that it prepares special education teachers to teach students with disabilities effectively, including training related to participation as a member of individualized education program teams, as defined in section 614(d)(1)(B) of the *Individuals with Disabilities Education Act*, and to effectively teach students who are limited English proficient. Include planning activities and a timeline if any of the three elements listed above are not currently in place.

We do not license special education teachers at DePauw. Students enrolled in the music education program are required to take MUS 263, Music For Students with

Diverse Needs.

## Section VII Contextual Information

Please use this space to provide any additional information that describes your teacher preparation program(s). You may also attach information to this report card. The U.S. Department of Education is especially interested in any evaluation plans or interim or final reports that may be available.

DePauw University only certifies music education students.
