

Mr. & Mrs. Fred C. Tucker Jr. Distinguished Career Awards

The fund was established by the late Fred C. Tucker Jr., a 1940 graduate and former chair of the Board of Trustees, and his wife Ermajean. Income from the fund provides an award, made annually by the president of the University, to a senior member of the faculty. The purpose of the award is to recognize the achievements of those faculty members who have made notable contributions to DePauw by their commitment to students, teaching excellence, their chosen disciplines, and University service.
